BENEFICIARY CONSULTATION

Mai ko kākou mana 'o, e hālupa no kākou

From our ideas, we flourish

The Department of Hawaiian Home Lands will begin the phase of the Administrative Rules amendment process that involves broad community discussion and input. This is a continuation of meetings and discussions between DHHL and our beneficiary leaders that started in 2005 and has been ongoing since then.

In general, these Administrative Rules describe the department's organization and procedures, and implements laws and policies. The current set of proposed changes relate only to rules in these sections:

Chapter 10-1 General Provisions

Chapter 10-2 Organization and Management

Chapter 10-5.1 Rules of Practice and Procedure

Chapter 10-7 Native Hawaiian Housing Block Grant Program (NEW)

(Amendments to other sections of the Administrative Rules will be covered in future consultation meetings)

DHHL staff will be holding consultation meetings on O'ahu to review these proposed changes to the Administrative Rules and to explain the public hearings process. The proposed amendments are posted on our website (www.hawaii.gov/dhhl) and details about the location of the hearings and how you can submit comments and testimony will be posted on the website soon. We encourage you to attend the meeting nearest to you.
