Happy Holidays Moloka'i Homesteaders!

Mahalo to all of the homesteaders and leaders in our community that have been attending our Regional Plan meetings. We are half way through the planning process and I am writing to give a quick update on where we are now and encourage your participation and attendance in the final set of planning meetings.

We have already held four (4) productive planning meetings since we started the process on August 18, 2009 that has resulted in positive community input and participation. Topics of these meetings included discussion on agriculture, sustainable energy, and community issues and opportunities. Meeting notes can be reviewed on our website at www.hawaii.gov/dhhl.

This letter is intended to continue to encourage our homesteaders to attend and participate in our Regional Plan meetings that seek to maximize beneficiary consultation. We are attaching a flyer with the information (dates and times) on the **three (3) meetings remaining in this Regional Plan update process**, after which we are planning to go in to the Hawaiian Homes Commission meeting on April 20, 2010 to approve the Moloka'i Regional Plan update.

I understand that we are all busy, but I hope that you will make the time to come to the meetings and contribute your mana'o. It is never too late to get involved, so please come to the next meeting scheduled for:

THURSDAY, JANUARY 14, 2010
6:00 p.m. to 8:00 p.m.
Kūlana 'Ōiwi Complex
Kalama'ula, Moloka'i
Subject: Water

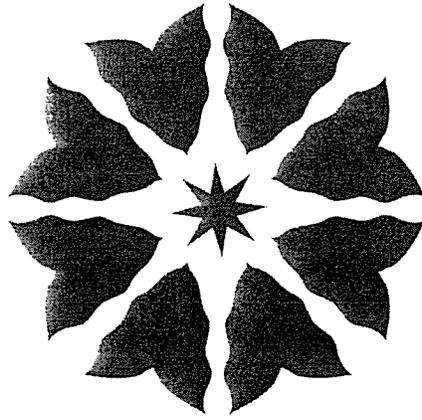

Thus far, the Regional Planning process has been very dynamic and exciting. I hope you will be able to participate and join the discussion. Have a safe and wonderful holiday season.

Aloha and Mahalo,
