

# Come and join your friends and neighbors

FOR NEXT STEPS IN PLANNING FOR KAMEHAMEHA SCHOOLS' KA PUA INITIATIVE.

Lend your voice and mana'o to a community forum where we will share some food, talk story, and participate in activities to further confirm programs and needs to support a learning community on the Wai'anae Coast.

What can we do to get kids to school, keep them in school and engage them in learning?  
Now is the time to clarify and design these educational programs that you have said you want.  
You are invited to join us at any one of the following forums:
