HOW WE CAN HELP

The brand new Ka Pua Community Learning Center at Mā'ili will be opening its Early Learning Complex this August! That means 185 new classroom seats in a variety of different early childhood settings will be available for the education of your 0-5 year old.

If you want to take advantage of this opportunity, call us at Hō'ala now! We will meet with you one-on-one to help you determine which program will best fit your family's needs. Do you want a Hawaiian immersion experience, or to send a family member with your child to learn about child development, or do you need a full-day drop-off preschool? All these options are available at the Early Learning Complex.

Once you determine which program you would like your child to attend, we will help you complete all application and financial aid applications (if necessary).

Don't delay – call us now – we are waiting to hear from you!
