Describe how proposed land use request will have direct or significant indirect benefit the Trust and/or its Beneficiaries: Will allow us to get financial assistance as well as technical expertise to improve land. It will also allow partnership with USDA & NRCS to help implement conservation practices that address natural resource concerns and opportunities to improve soil, water, plant, animal, air and related resources on agricultural land which will indirectly benefit Hawaiian homestead beneficiaries and the broader native Hawaiian communities.

The following authorized representative submits this request for use of Hawaiian home lands under non-homesteading purposes and acknowledges that:

1. This is an application process that will be subject to further review, evaluation and consideration by DHHL and may require additional information to be submitted;
2. This request does not constitute any form of DHHL approval to this non-homesteading land use request as submitted;
3. In the best interest of the trust, DHHL reserves the right to exercise its prudent authority pursuant to and in accordance with the Hawaiian Homes Commission Act (Section III, Section 204(a)(2), Section 220.5, Section 207(c), Hawaii Revised Statutes, Chapter 171, as amended and the Hawaii Administrative Rules, Title 10;
4. Once the application is deemed complete, the non-homesteading land use request will be posted for a 30 day review period on the DHHL website for beneficiary and public comment;
5. Additional Island or Regional Specific Beneficiary Consultation will be required per the DHHL Beneficiary Consultation Policy;
