Land Area requested: Acreage/Sq.Ft. Approximately one acre
Island: Molokai Tax Map Key No: TMK: (2) 5-3-01:002 (por)

Indicate Character of Use: Agriculture

Does applicant have any existing land disposition issued by Hawaiian home lands for non-homesteading purposes? No

Describe how proposed land use request will have direct or significant indirect benefit to the Trust and/or its Beneficiaries:

The Molokai Canoe Club has approximately 100 members. Almost half of the members are children ages 6 to 18. More than 95% of these keiki are Native Hawaiian. Of the adult members, at least 75% of them are Native Hawaiian. Membership in the Club is open to any interested residents, and the majority of members have been Hawaiians ever since the Club was founded five decades ago by Homesteaders. The Canoe Club's activities help to perpetuate the culture and tradition of Hawaiian outrigger canoe paddling. Those who participate develop healthy bodies, and also healthy minds and spirits. The paddlers also develop good work ethics, team spirit, and leadership skills. Healthier Hawaiians with a firm foundation in their native culture provide great benefits to the broader community, including DHHL and its beneficiaries.

In addition helping DHHL beneficiaries, the Canoe Club will also continue to maintain the 'āina. Stewardship activities include clearing rubbish and brush, planting and watering native landscaping, maintaining the canoe hale and outbuildings on the site, and keeping the Kamehameha V house site clear of overgrowth.
