Describe how proposed land use request will have direct or significant indirect benefit to the Trust and/or its Beneficiaries (Applicants & Lessees): The proposed land use request will fulfill the desires of HHL to incorporate renewable energy as described above. CDF Engineering LLC is a locally based company and the construction of renewable energy projects will create job opportunities in the community. Our renewable energy projects will provide a firm power source for HHL Lessees and Maui County residences. CDF Engineering is pursuing large scale renewable energy projects with HHL that will serve to reduce Hawaii's dependence on imported oil, protect the environment, and stabilize energy costs for HHL Lessees.

The following authorized representative submits this request for use of Hawaiian home lands under non-homesteading purposes and acknowledges that:

1. This is an application process that will be subject to further review, evaluation and consideration by DHHL and may require additional information to be submitted;
2. This request does not constitute any form of DHHL approval to this non-homesteading land use request as submitted;
3. In the best interest of the trust, DHHL reserves the right to exercise its prudent authority pursuant to and in accordance with the Hawaiian Homes Commission Act (Section III, Section 204(a)(2), Section 220.5, Section 207(c), Hawaii Revised Statutes, Chapter 171, as amended and the Hawaii Administrative Rules, Title 10;
4. Once the application is deemed complete, the non-homesteading land use request will be posted for a 30 day review period on the DHHL website for beneficiary and public comment;
5. Additional Island or Regional Specific Beneficiary Consultation will be required per the DHHL Beneficiary Consultation Policy;
6. All input/comments received will be provided to the Hawaiian Homes Commission if/when approval for disposition is considered by the HHC;
