

# Your Concerns Matter When it Comes to Wildfire

**Kaua'i**

## Community Wildfire Protection Plan Community Meetings

*What is a Community Wildfire Protection Plan (CWPP)?*

CWPPs are planning tools that use community input to help make communities and natural areas fire-safe.

*Why should I care about wildfires?*

Wildfires have a great impact on Kaua'i residents and all Kaua'i natural resources, affecting daily life, human health and safety, and ecosystem health.

*What should I bring to the meeting?*

Just your valuable input on wildfire hazards in your area and ideas for projects to reduce those hazards.

We'll cover the snacks and refreshments!

**March 23 (6-7p):  
Kīlauea**

Kīlauea Elementary School  
2440 Kolo Rd.

**March 24 (6-7p):  
Waimea**

Waimea Canyon Middle School  
9555 Huaka'i Rd.

**March 25 (6-7p):  
Līhu'e**

Wilcox Elementary School  
4319 Hardy St.

Hawaii Wildfire Management Organization is a 501(c)(3) nonprofit dedicated to protecting communities and natural resources from wildfire.

These community meetings and the CWPP are made possible through a grant from the Cooperative Fire Program of the U.S. Forest Service, Department of Agriculture, Pacific Southwest Region. HWMO is an equal opportunity employer.
