Dear DHHL Ka'ū Regional Plan Participant:

In 2011, you were invited to participate in the DHHL Ka'ū Regional Plan planning process. Through that process, participants helped to identify priority projects important to DHHL beneficiaries in the Ka'ū district. One of the priority projects that was identified in the Ka'ū Regional Plan was for DHHL to develop a management plan for DHHL trust lands in Kamā'oa-Pu'u'eo (also referred to as "South Point"). This letter is to inform you that DHHL and its consultant Townscape Inc. will be beginning the process of developing this management plan and we would like to invite you to the **first** of several outreach meetings in this planning process. This meeting will be held:

Wednesday, July 29, 2015
6:30 PM – 8:30 PM
Nā'ālehu Community Center
95-5636 Māmalahoa Highway

At this meeting, we will:

- Introduce the DHHL and Townscape Inc. planning team;
- Present a draft **process and meeting schedule** to develop this management plan;
- Get your mana'o on the draft **process and meeting schedule**.

We look forward to seeing you at this meeting. If you have any questions, or for more information, please contact Andrew Choy, DHHL Planner, at andrew.h.choy@hawaii.gov or 808-620-9279. You may also contact Gabrielle Sham, Planner, Townscape Inc., gabrielle@townscapeinc.com or 808-536-6999 ext. 5.

Me ke aloha,

Kaleo Manuel,

SOUTH POINT

RESOURCE MANAGEMENT PLAN

WEDNESDAY, JULY 29, 2015

6.30 p.m. - 8.30 p.m.

Nā'ālehu Community Center
95-5636 Māmalahoa Highway

The 2012 Ka'ū Regional Plan identified the need to protect and preserve the natural and cultural sites in Kamā'oa as one of the top five priority projects for Ka'ū. As a result, the Department of Hawaiian Homelands in consultation with its beneficiaries is working to formulate a Resource Management Plan for the lands and resources in Kamā'oa.

Please join us for a "talk story" and to share your mana'o.
We will discuss the planning process and timeline for the project.

For further information please call Andrew Choy in the Planning Office at (808) 620-9279.
