November 19, 2009

Dear Homestead Leaders and
Hui Kakoo Board Members:

You and members of your Boards are invited to attend a Beneficiary Consultation to be conducted on your island covering:

KULIA I KA NUU

This program was approved by the Commission in September 2009 to support community capacity-building, self-governance, and self-sufficiency. The consultation cover the (1) organizational assessments, (2) required democratic elections, (3) types of training, technical assistance, land awards, and grant awards available, and (4) how to access program services and benefits. Your ideas and comments would be appreciated.

DHHL AFFORDABLE HOUSING POLICY

Developed pursuant to Act 141, SplH 2009, the policy allows private developers to satisfy their affordable housing requirements on Hawaiian home lands and allows DHHL to transfer its credits to other entities. The net result is the provision of additional affordable housing for native Hawaiians on Hawaiian home lands by exchanging or selling tax credits. We would appreciate hearing your thoughts on the policy.

The consultation schedule is enclosed. We look forward to seeing you there. All comments and suggestions will be transmitted to the Hawaiian Homes Commission for their consideration.

Aloha and mahalo,
