Aloha Kawaihae Lessees:

The Department of Hawaiian Home Lands (DHHL) planning office is accommodating a special request from the Kailapa Community Association to conduct a quick update of the Kawaihae Regional Plan. As you know the plan was approved in April 2009. However, recent discussions in the community have surfaced that warrant regional plan attention.

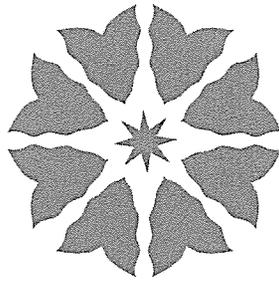

My planning staff will be conducting three (3) planning meetings over the course of two months in order to incorporate your input on issues and your ideas for potential projects and solutions into the regional plan. The attached flyer identifies the dates, times, and locations for the meetings. We strongly encourage you to attend all three (3) meetings as they will build upon each other, culminating in update recommendations to the regional plan.

We are happy that we could accommodate the Kailapa Community Association's request to do an update of the Kawaihae Regional Plan. I look forward to your productive planning sessions and your contributions to create meaningful projects that will make a difference in your community.

Aloha and mahalo,

Kaulana H. R. Park, Chairman
Hawaiian Homes Commission
