WORKING FOR BENEFICIARIES FROM A HOMESTEADER PERSPECTIVE

CNHA's Convention theme is embraced by the new leadership team at the Department of Hawaiian Home Lands. Hawaiian Homes Commission Chairman Alapaki Nahale-a, center, Deputy Michelle Ka'uhane, right, and Chief of Staff M. Wai'ale'ale Sarsona, left, are all current or former residents of Hawaiian homestead communities, giving them a unique perspective in carrying out Prince Jonah Kūhiō Kalaniana'ole's vision of returning native Hawaiians to the land.
