### PLANNING

**Goal:** A planning system that guides the Commission in making land use and budgetary decisions with sustained, meaningful participation by beneficiaries and other stakeholders.

The DHHL Planning System provides the framework to support establishing and attaining the Commission's long-term goals, objectives, and priorities. The comprehensive approach identifies critical issues, determines priorities, allocates resources, and implements plans.

### INITIAL THOUGHTS 2011 - 2013

#### **New Regional Plans Areas**

- Ka'u Regional Plan

#### **Strategic Plans**

Develop Resource Policy and Program Plans

- Water,
- Renewable Energy,
- Natural Resource Management,
- Cultural Resource Management,
- Agricultural Development,
- Pastoral Programs,
- Housing Development

#### **Administrative**

- Add Regional Plan component to the Planning System
- Define Homestead Community Plans as an Implementation Mechanism

#### **Implementation**

- More emphasis on implementation of plans and priority projects
