

NOTICE TO PROVIDERS OF PROFESSIONAL SERVICES

In accordance with §103D-304, HRS, the State of Hawaii, Department of Hawaiian Home Lands (DHHL) is seeking qualified engineering firms to provide Engineering Services for a Kalaeloa Lands Redevelopment Infrastructure Study, City and County of Honolulu – Job PS-14-LMD-002.

General Scope of Services

The project involves professional engineering services to study the infrastructure requirements, including roads, water, sewer, and electricity for redeveloping DHHL's Kalaeloa lands. DHHL has five (5) separate large land groupings it acquired from the Barbers Point Base Closure. Beginning with the current existing infrastructure, the study is to (1) identify possible infrastructure options, including possible micro-grid systems, for each of the five (5) land groupings; (2) analyze and provide an assessment on the feasibility of the identified options; and (3) provide costs estimates associated with the identified options.

Response to this Notice

- A. Individuals or firms on DHHL's FY14 qualified DPW 120 list are invited to submit a letter of their interest and current qualifications for the project. Please submit four copies of no more than five pages (single-sided). **Only those individuals who submit their expression of interest and current qualifications to the public notice will be considered for this project.** The letter should include the following:
1. Experience and professional qualifications relevant to this project, including the identification of the key personnel that will be assigned to this project;
