Dear DHHL South Point Plan Participant:

DHHL is currently in the process of creating a resource management plan for its Kamā'oa-Pu'u'eo lands in Ka'ū that are commonly referred to as "South Point." As part of this process, DHHL understands that community feedback is critical to the creation of a meaningful plan and would like to inform you about another opportunity to participate in this planning process. We will be holding a "Speak Out" event on:

**Saturday, December 12, 2015
11:00 AM – 4:00 PM
Nā'ālehu Community Center
95-5636 Māmalahoa Highway**

A "Speak Out" is meant to provide a flexible opportunity for people to share ideas. You may come during any time between 11:00AM & 4:00 PM and you can stay as long as you want. The enclosed flier will give you more information on what a "Speak Out" event is and what to expect.

During small group meetings with DHHL beneficiaries over the last three months, beneficiaries identified four primary management topics that the plan should focus on. These four management topics are:

- Health and Safety
- Cultural and Natural Resource Management
- Native Hawaiian Culture, Knowledge & Traditional Practices
- Economic Self-Sufficiency

At this December 12th event, we would like to get your feedback related to these topic areas and identify specific activities under each of these topic areas that you would like to see. We would also like to collect any other mana'o that you may have on how DHHL should manage its lands at "South Point."
