Regional Planning Overview (Julie)

- Lessee planning for the future of their homestead/region through a series of Regional Plan meetings
- Identifies data—moʻolelo, people, lands, and infrastructure of homestead communities and surrounding region
- Engages stakeholders (agencies/orgs) to identify their plans and to identify opportunities to partner/collaborate
- Identifies Priority Projects

Important Topics and Questions Discussed

- Waiʻanae Coast Emergency Access Road (WCEAR)
 - A Special Neighborhood Board meeting was scheduled on September 11th, which included a scheduled vote on a resolution in favor of the Access Road as planned
 - Kamaki Kanahele proposed a motion to vote against the resolution
 - Homestead leaders in attendance (5 associations) supported the motion to vote against the resolution, which they planned to present to the Neighborhood Board on September 11th
 - DHHL context: The Legislature included funding in the budget, identifying DHHL as the expending agency because DOT is only responsible for projects along Farrington
 - Questions and considerations moving forward
 - WCEAR is biggest and most overlapping issue impacting all homestead communities, especially Nānākuli
 - Where is the road going? Will it be opened up other than emergencies?
 - Putting near school endangers children
 - Nānākuli coastline and disaster zone - 6th road is high water mark; schools are in inundation zone
- Regional Plan Boundaries
 - Keeping separate plans, but see where there are overlaps

- Road needs to be addressed across homestead communities -- all need to be involved
 - Voice of America site
- Questions and considerations moving forward
 - Are we using traditional or today's state boundaries?
- Other topics brought up:
 - Houses at Lyman Ranch -- potential opportunity to realign schools
 - Congestion -- consider adding new parks and public facilities instead of more homes
