Consultant (re)Introductions

- HACBED is small nonprofit who works to lift up community voice
 - HACBED hired to listen and work to identify issues and community projects that are important for communities that can be integrated into updated regional plans
 - Plan is intended to be a resource for communities to refer to for funding and support for own community projects and initiatives
- Puni Kekauoha has been a community leader from Papakōlea since 1993
 - Role for this planning process is kāko'o for lifting up community voice -- we will keep coming back to make sure we articulated what the community desire is
 - Can come to Puni if you feel that voice is not being accurately translated into the plan

Boundaries for Plans

- From last meeting: Although some issues stretch across communities, want to have separate plans
- Main Points from Discussion
 - Wai'anae Coast has three ahupua'a so having separate plans would properly identify Princess Kahanu Estates (PKE) and Wai'anae Kai Homesteads, which are in Lualualei
 - Not just planning immediate homestead community
 - For PKE and Wai'anae Kai they are in same ahupua'a as Lualualei and Hakimo lands
 - Has Wai'anae Kai ever considered being called "Lualualei" to differentiate from Wai'anae Valley?
- **For now, stick with boundaries used in previous plans but be flexible until we get to the draft plans**
 - **PKE will take the question about where they fit in plan division back to their board**
 - **Wai'anae Kai will think about name question**
