May 18, 2018

Aloha,

The Department of Hawaiian Home Lands (DHHL) will be conducting (1) an Informational Meeting on the upcoming **Anahola water system improvements project** and (2) a Beneficiary Consultation on the **proposed increase** in water rates that DHHL charges its customers (you) to help cover costs to provide reliable water service to your homestead. The current rates are due to expire on June 30, 2018. Before the Hawaiian Homes Commission (HHC) takes action on the proposed increase in rates, DHHL would like to hear beneficiary input.

The department, beneficiaries and other users of the system each have kuleana. For DHHL, we continuously look for ways to cut costs and operate the system efficiently. For beneficiaries and other water users, your kuleana is to use water wisely and pay your water bill.

The objectives for this meeting are as follows:

- Project Update on the Anahola water system improvements
- Present a summary of DHHL's costs to manage, operate and maintain the water system
- Explain what DHHL is doing to keep costs down
- Get feedback on the proposed increase in water rates

**Wednesday, June 6, 2018
6:00 p.m. to 8:00 p.m.
Anahola Clubhouse**

We all know the importance of clean and safe drinking water. You and your 'ohana are affected directly. We hope you will take advantage of this opportunity, share your mana'o, and perhaps, learn something new about your water system. The input you share will be presented to the HHC in their decision making process.

Aloha and mahalo,

Jobie M. K. Masagatani, Chair
