# Honomū Subsistence Agricultural Homestead Community Conceptual Plan and Environmental Assessment

## *PLEASE JOIN US!*

The Department of Hawaiian Home Lands (DHHL) manages the Hawaiian Home Lands trust in order to develop and deliver land to native Hawaiians. DHHL is planning a new subsistence agricultural community on 766 acres in Honomū, South Hilo District, Island of Hawai'i. This will be the first new agricultural Hawaiian homestead community in almost 20 years.

Please join us at Community Meeting #1 to learn about this project, and the planning schedule and process, and to share your initial thoughts for consideration in the development of the plan.
