The Department of Hawaiian Home Lands (DHHL) is planning a new subsistence agricultural community on 766 acres in Honomū, South Hilo District, Island of Hawai'i. This will be the first new agricultural Hawaiian homestead community in almost 20 years. Please join us at **Community Meeting #3** where we will share the Draft Environmental Assessment (EA), a document that presents the projects, its anticipated environmental impacts, and measures proposed to mitigate those impacts. Comments on the Draft EA will be taken at the meeting.
