

How do you feel about your present situation as an applicant on the Ag. waitlist?

It's been a long wait

Alright but it wasn't fun waiting

It has been a long wait.

Good, I would like to have a place to live, that would be nice

Been waiting over 20 years

Lets see! Just started!

I question the fact that it will be done

I'm wondering if I'm high enough on the list to qualify for the Anahola area. I signed up for pastoral and not agricultural.

Depressed

How do you feel about your present situation as an applicant on the Ag. waitlist?

Waiting for a very long time

Waitlist is too long

I am a homesteader in kekaha and not eligible for ag. I am very pleased that dhhl is finally taking steps to get people on the land.

Interested

No sure

How can I find out what number I am on the list

Reserved.

Long waiting list

Nervous. Hoping not to be on the waitlist forever

How do you feel about your present situation as an applicant on the Ag. waitlist?

It's been long waiting for most, not sure if I will ever get anything...

I am now too old to farm, I was young when I applied

I guess it is what it is on waiting list. I'm here to educate and listen

Sad. Waiting so long without any results. Getting old.

I've been waiting a long time. 1986 until 2018 is way too long to award ag lots.

Being of the younger generation will it even be possible to reach my number on the wait list for ag lands

Waiting too long on the list, thank you for moving on with the puu Opae project

It has been a long time coming. Some of those on the wait list has passed on. Wh

How do you feel about your present situation as an applicant on the Ag. waitlist?

When did u seperate the 2.

What do you know about Pu'u 'Ōpae?

Learning today

Its agricultural land

Nothing...just googled about it

Used to have sugar. Bout 1400 ft alt

Not much, that's why I'm here

Not much but learning

Not enough to know

It is where we are told to evacuate too in case of a tsunami. But want to learn more about project

New information which means communication of information is needed

What do you know about Pu'u 'Ōpae?

Nothing but I wanna learn more about it

Its hard to gain access to

Not supposed to hunt

The vision for this project is exciting Hope it becomes a reality

Don't know too much about it but very interested in this forward movement with DHHL

Sugar was grown there for many years decades. Prime ag land. Good hunting area.

Beautiful location but need water and safer road access

Plenty, and enough.

I know it's prime land to grow Laau.

What do you know about Pu'u 'Ōpae?

Hunting area before

Just that they want to open up ag. Land for farming.

I know that the kekaha homestead association has been working for years to get this project going.

Spend time there as a child 55 yes age, but not since. No current knowledge

Not been up there in forever, love the idea that a possible community may be loving up there...

Don't know

My Aunt Judy Naumu farm and raised cattle's

Will the kiuc project affect?

Its in koke'e but want to know more about the land opportunities and surroundings

What do you know about Pu'u 'Ōpae?

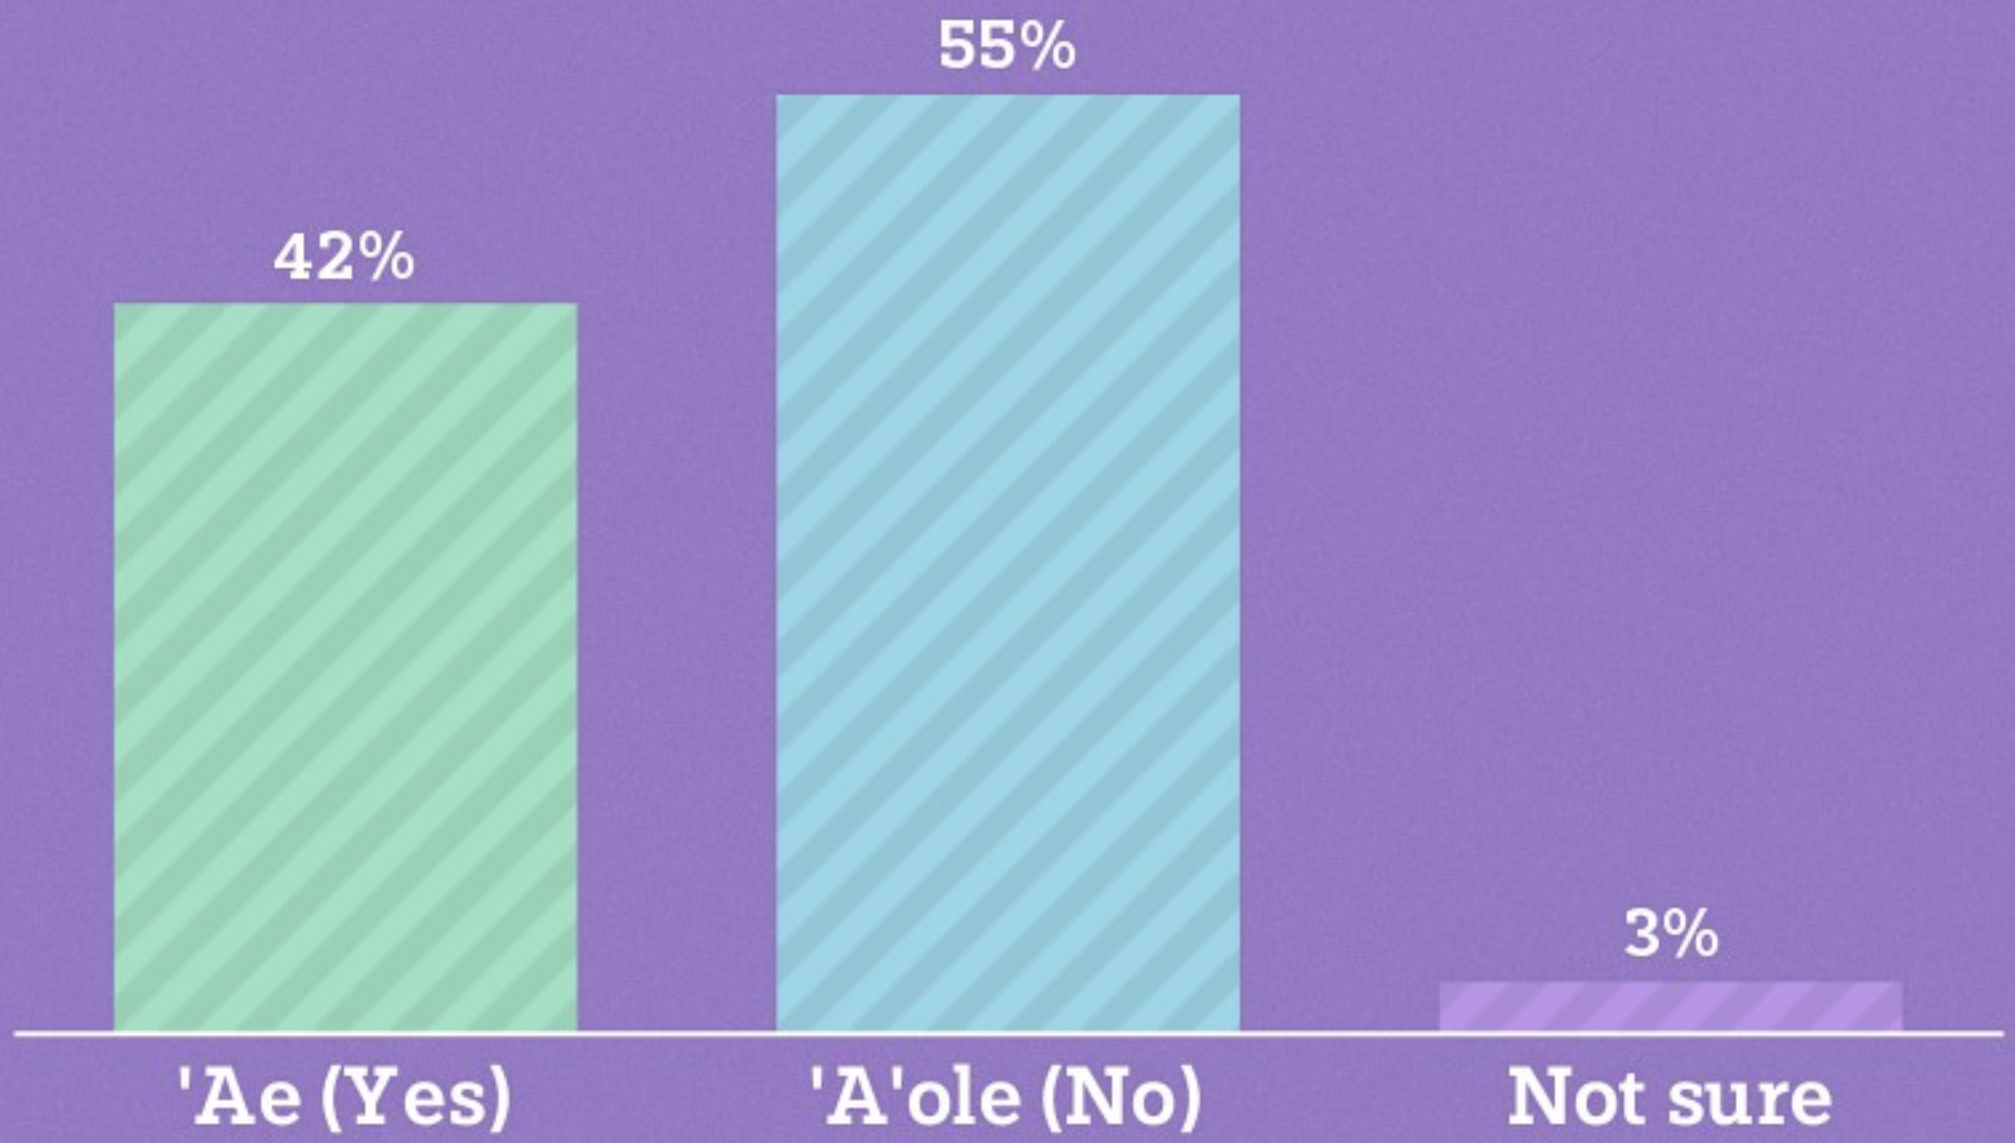

Would love to learn more!

It's beautiful land and being there is such a treat. KHHA working on project there

Not thing, hope that wen I get one I'm not dead by then

Kikiaola gave mendhune aopE when they pau menehune sit h

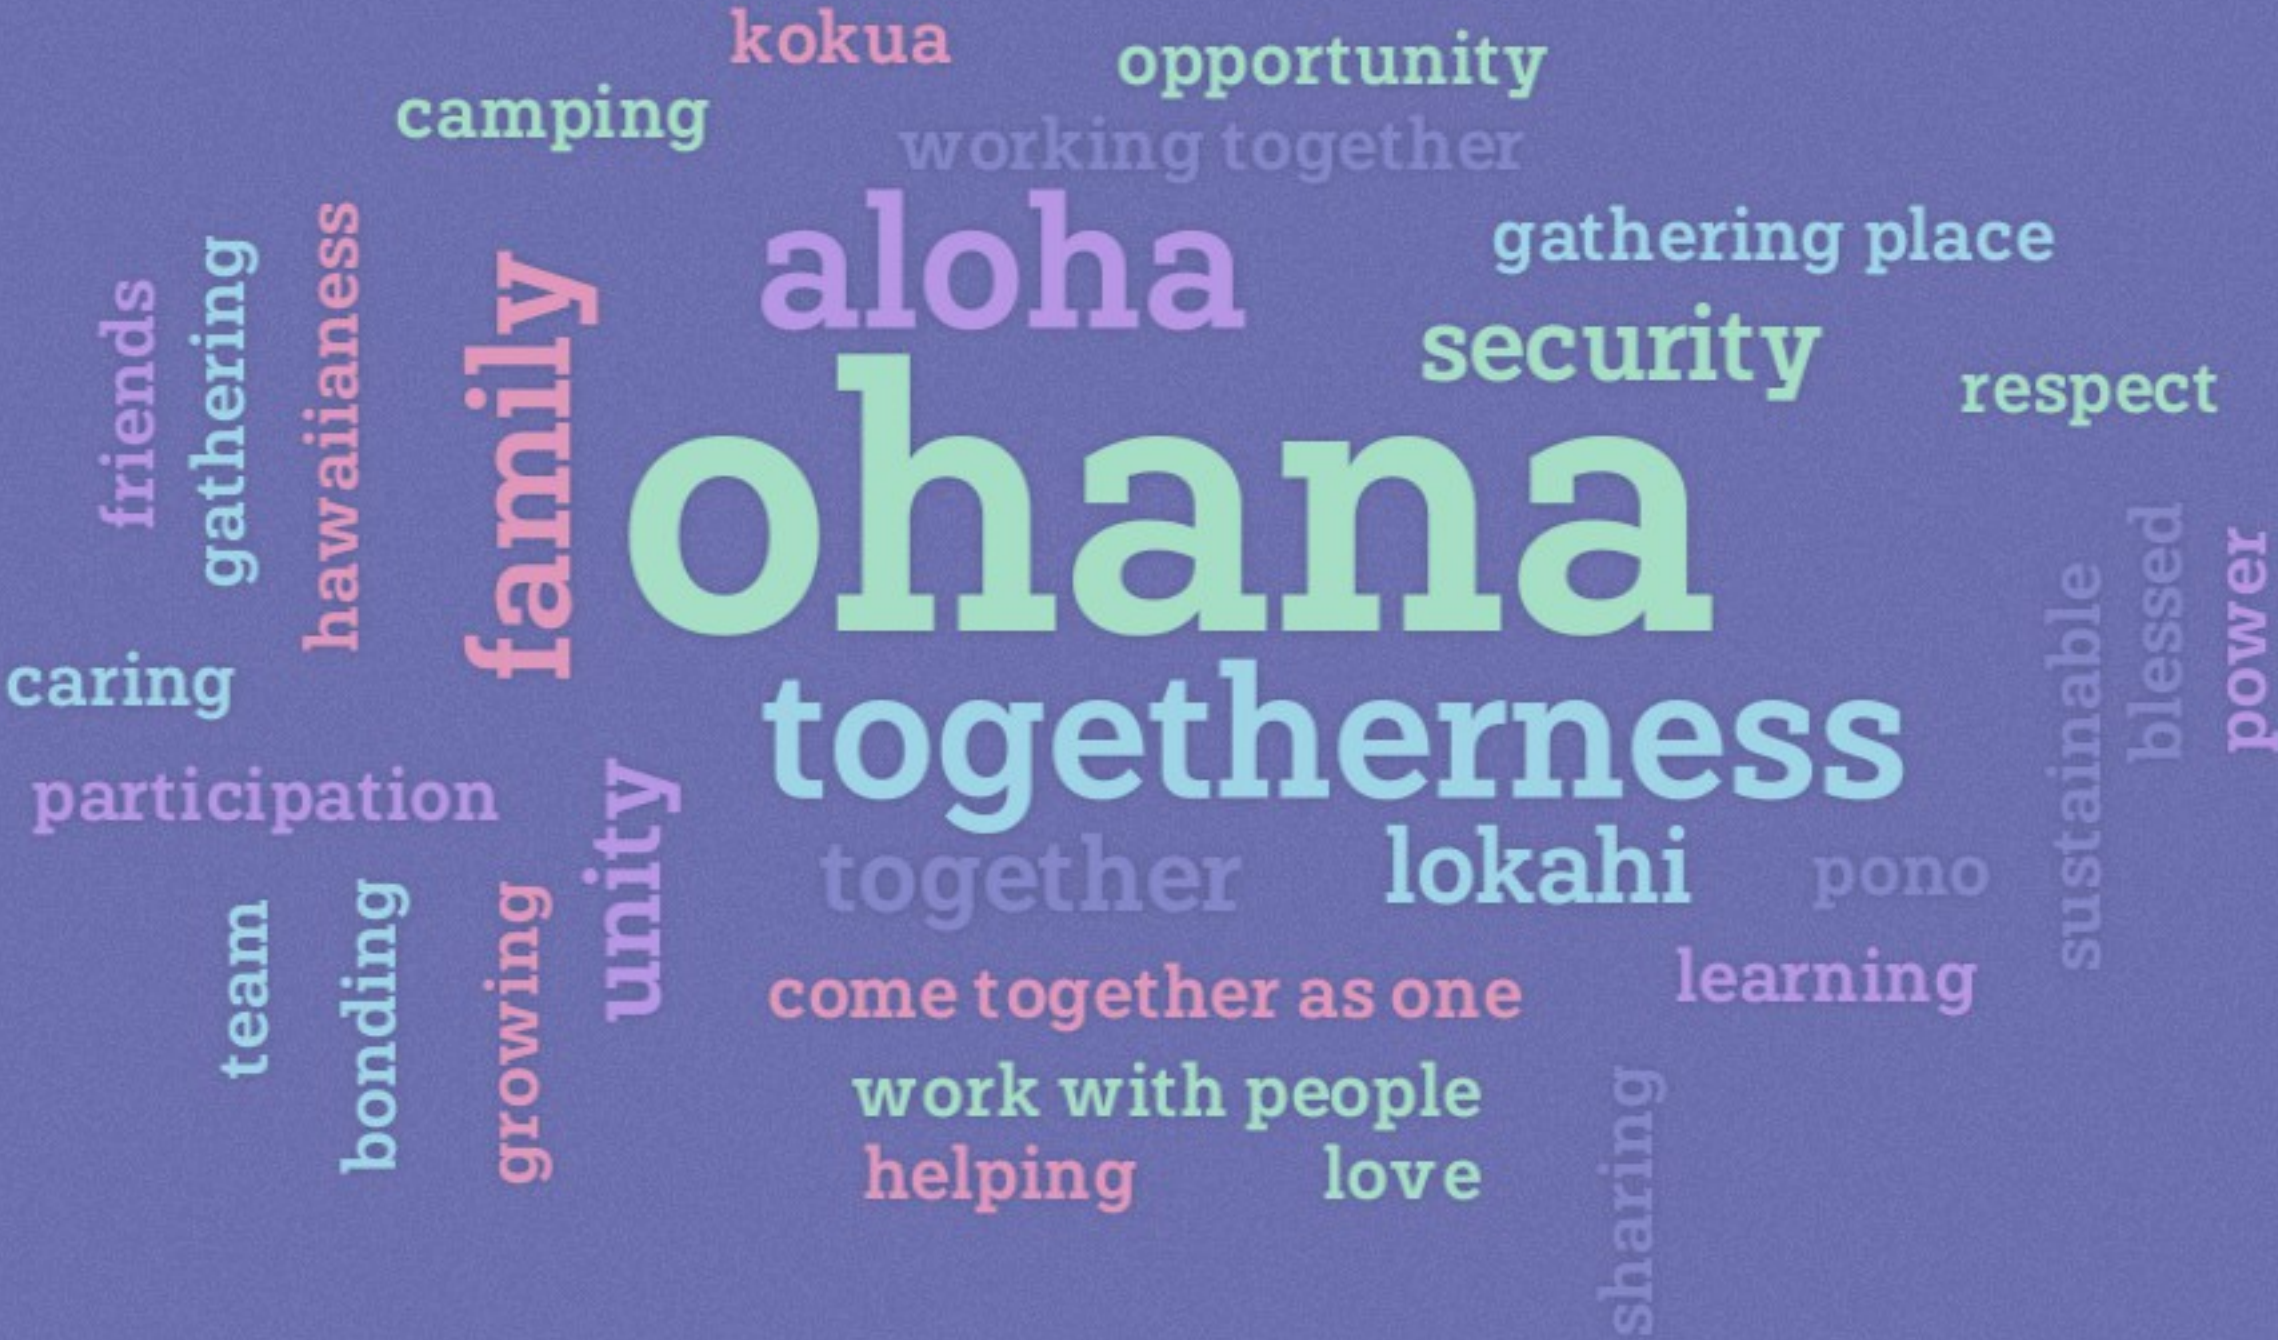

Have you or your immediate family participated in any other prior meetings about Pu'u 'Ōpae?

What excites you the most about the opportunity at Pu'u 'Ōpae?

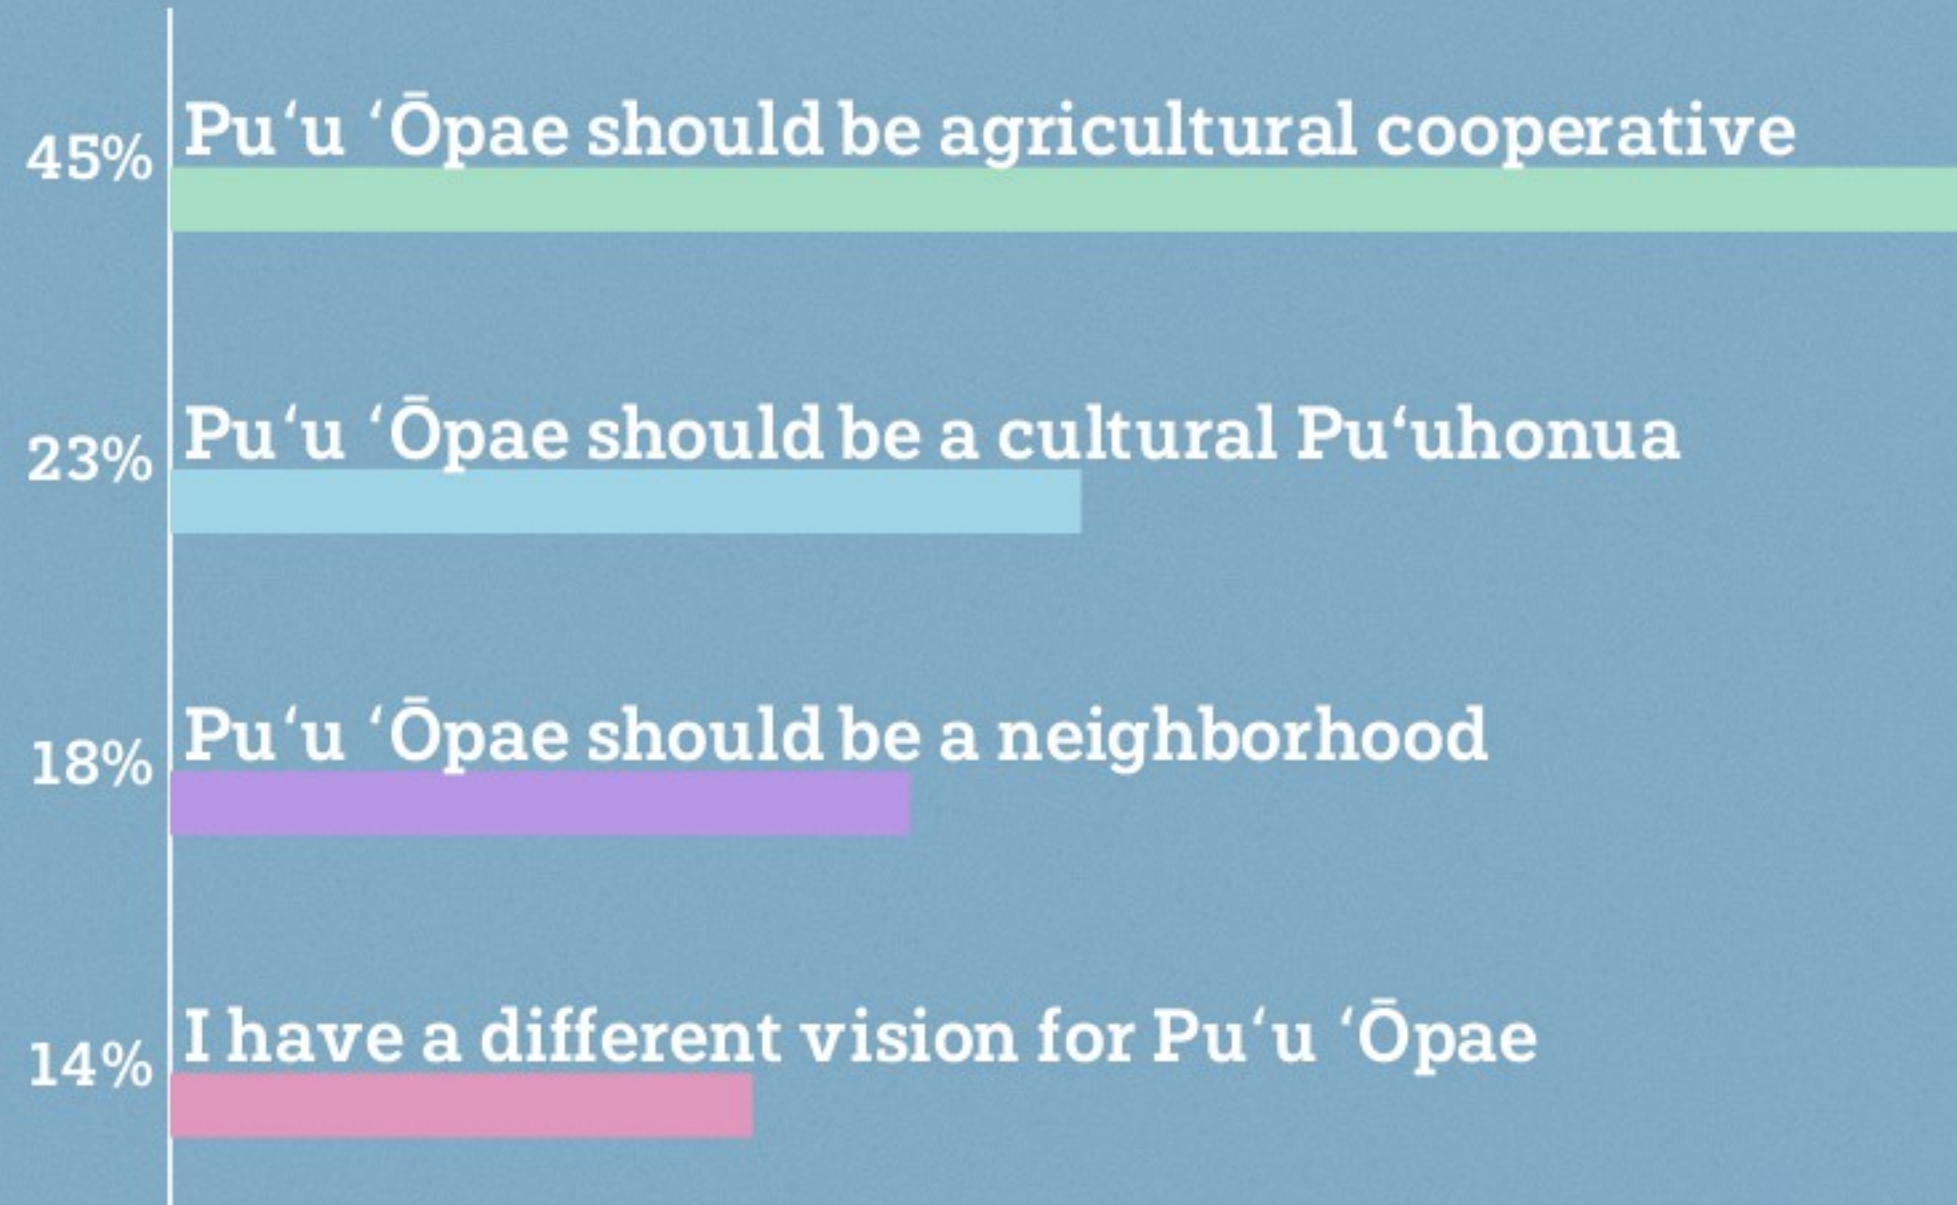

What does "community" mean to you?

Choose how to allocate your 100 points. What should the Pu'u 'Ōpae plan really focus on??

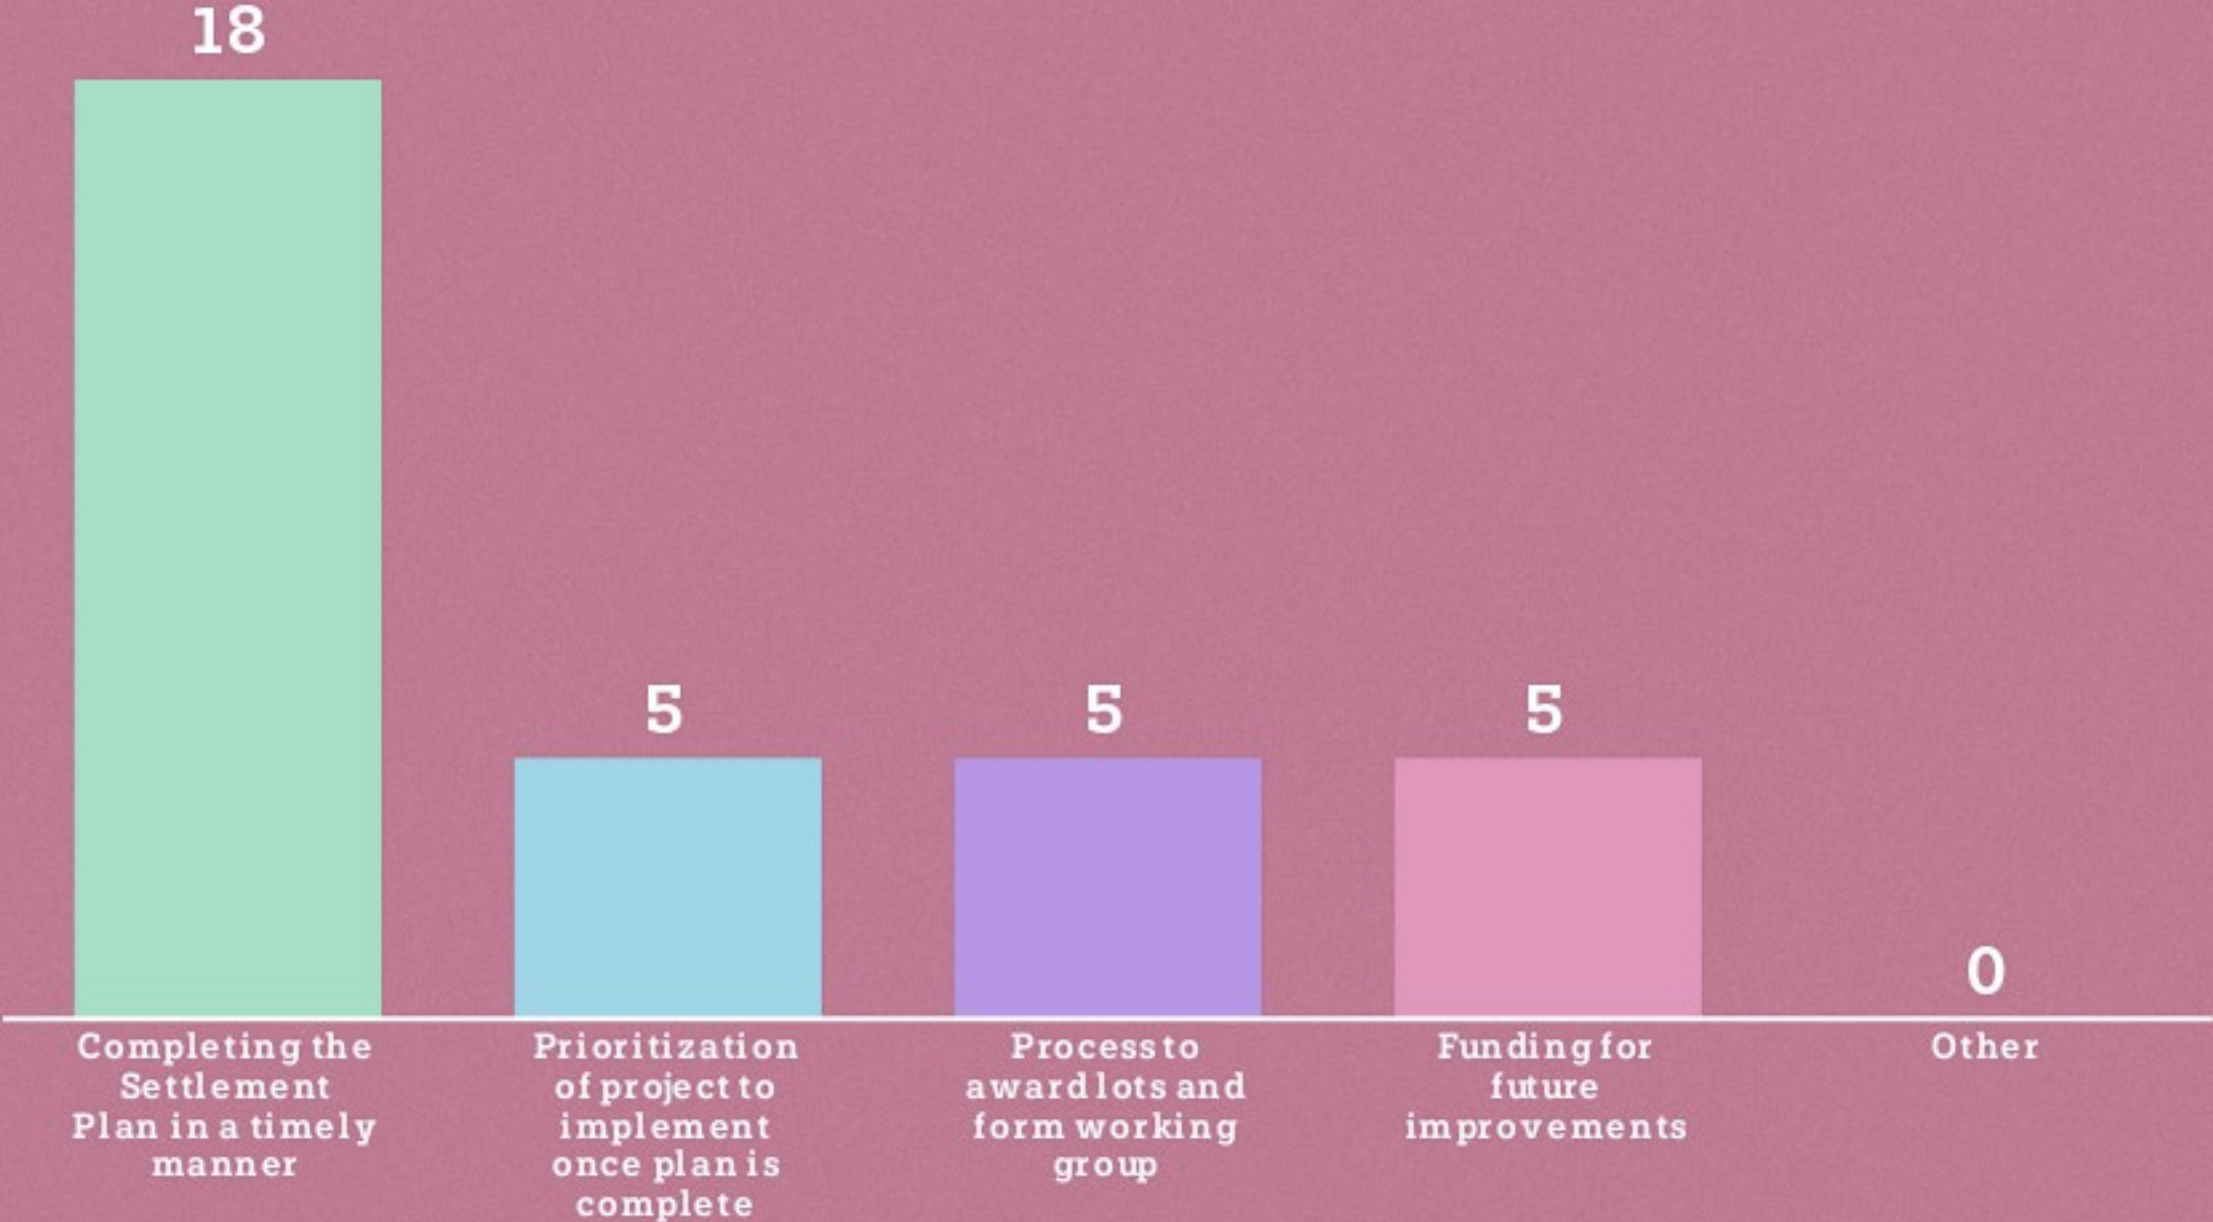

How would you rank these statements in terms of how much they align with your vision for Pu'u 'Ōpae?

Which image best represents your vision for agricultural activity at Pu'u 'Ōpae?

What will be the greatest challenge to achieving the project's vision

Do you have any questions for us?

No

What happens if settlement plan gets denied?

What is the cost for this project

Is the award process by order of chronology of the amount of time you were on the waiting list?

Why is it called Pu'u 'Ōpae

May we please have a copy of the PowerPoint?

I have no questions now, but when I do, who do I call

My manao is safety first and go to the next step

Can we hold a meeting like this on the west side?

Do you have any questions for us?

Will those on puuopae list be given priority?
Will pastoral lands also be awarded? How much is planned to improve access and water availability's?

Will Pu'u Opae be the only settlement project Proposed at this time? Will the Anahola Pastoral land area be looking to have a settlement plan implemented soon? If soon, ETA?

Mahalo you k shoots

How do you plan to make access to property easier

Wil you be able to build your own home?

When did u separate the ag land and the pastoral?

Will pastoral wait list, qualified for the the subsistence agriculture lots

If funds are needed for beneficiaries to bring their lots to a productive level What funding options will be made? Grants? Loans? Starting funds?????

Will the community areas be open for visit/use by existing residential lessees and beneficiaries?

Do you have any questions for us?

What happens to those been waiting on pastoral land in pu'u opae

What if when u signed up there was just ag land?

Will Road be looked at to puu opae who will fix it

Shaka, good start...

How will you prioritize the selection to Puuopae. People already an awardee versus people on the waiting list ?

Will "black gate road" be repaired

Aloha

Still thinking...

You doing good Brudda

Do you have any questions for us?

With a dwelling how will sewer and drinking water concerns be met

Why so long you folks take to do anything?

A hui hou

You used Kahikinui as the only example of kuleana homesteading what is its prognosis. What did you learn from it to make this more successful.

What is KIUC contributing to dhl with their hydro plant running through Hawaiian home lands?

So many years on the list and only now a project come up

If you give your residential lot to another and go back on to a pastoral list, how is your rank determined? Is it from date of original app or the new recently submitted reapp?

Very well done Mahalo for this presentation

In keakua timing everything will fall in place
