IV. Next Steps

Where We Are in Updating the Regional Plan

- ✓ Meetings Completed:
 - September 5, 2018 – Initial Meeting with Homestead Association Leaders
 - November 1, 2018 – Community Meeting #1
 - December 5, 2018 – Community Meeting #2
- ✓ Meeting Notes on Discussions-Visions, Problems, Ideas for Solutions
- ✓ Compiled a List of Potential Projects and Ideas
 - Projects Identified in 2010 Regional Plan
 - Identified by Issue Areas: Agriculture, Water, Natural Resource Management, Community, Economic Development, Policies, and DHHL Projects
- ✓ Mailed to All Lessees
- ✓ First Part of the Meeting—Look at the Category of Water

Special Guest Speaker

Dr. Jonathan Scheuer
DHHL Water Consultant

Discussion on Water Project Ideas

**Review the WATER Items in the Handout
“WA” Projects: #25, 27-32, 41, 51, 52 and 64**

- **Do the Project descriptions make sense?**
- **Is there enough information?**
- **Use the BLUE sheets to write down anything to help clarify the idea.**
- **Other project ideas?**

Discussion on Other Project Ideas

- (1) Potential Projects from Homestead Associations**
- (2) Review the Other Items in the Handout**

- **Use the BLUE sheets to write down anything to help clarify the idea.**
- **Help identify the “community champion”.**
- **Help us fill in the pukas (refer to highlighted areas).**

Next Steps

- Finalize Potential Projects List - by February 15
- Prioritize
- Prepare DRAFT for community comment
- Submit FINAL to the Hawaiian Homes Commission

Next meeting:

Wednesday, February 27, 2019

Proposed time: 5:00 PM – 8:00 PM
