Aloha mai kākou:

The Department of Hawaiian Home Lands (DHHL) invites you and your 'ohana to participate in a series of community planning meetings to update the 2010 DHHL Moloka'i Regional Plan. We are inviting DHHL beneficiaries to participate in the planning process. The planning meetings are opportunities for you to present your ideas on ways to better your community.

The Moloka'i Regional Plan is one (1) of twenty-two (22) regional plans the department has developed statewide. DHHL regional plans function as a means to develop partnerships, pursue resources (including funding), and coordinate action in each community. Regional plans also identify key priority projects that are defined and implemented by the community and are essential in moving community improvement projects forward. To get a better idea of what regional plans are, please view some of our other regional plans on the DHHL website at:

<http://dhhl.hawaii.gov/po/regional-plans/>

DHHL staff will be conducting a series of four (4) community planning meetings to update the 2010 DHHL Moloka'i Regional Plan. The **first meeting** will be held on:

Thursday, November 1, 2018
6:00 PM – 8:00 PM
Kūlana 'Ōiwi Hālau - Kaunakakai

In this first meeting, we want to hear your thoughts on a community vision and hear what are important values in the community.

We look forward to productive planning sessions and your contributions to make Moloka'i homesteads thriving native Hawaiian communities. Your participation will make a difference. If you have any questions, please contact Ms. Gigi Cairel at (808) 620-9461 or gigi.o.cairel@hawaii.gov.
