January 14, 2019

Dear Kapa'akea and Kamiloloa-One Ali'i Homesteaders:

The Department of Hawaiian Home Lands (DHHL) invites you to attend an orientation workshop for the South Molokai Shoreline Erosion Management Plan (SM-SEMP) project. This project, developed in response to beneficiary concerns, was introduced at the November 14, 2018 community update meeting and will include a study of the shoreline, an assessment of impacts to shoreline lessees from erosion, extreme high tides and ocean inundation, and recommendations for actions. To see information from the first meeting, go to dhhl.hawaii.gov/south-molokai-shoreline-erosion-management-plan/.

The purpose of this meeting is to provide you with more information about project goals, activities, timelines and products, and gather more information about the history of the area, what lessees have been experiencing, and ideas for dealing with shoreline impacts.

The meeting will be held at:

**Place: Kaunakakai Elementary School Cafeteria
30 Ailoa Street, Kaunakakai**
Date: Thursday, January 31, 2019
Time: 6:00 p.m. to 8:00 p.m.

We hope you will make time to attend and participate. Should you have any questions or require further information, please contact DHHL Planning Office staff, Nancy McPherson, at telephone: (808) 620-9519, or via e-mail at nancy.m.mcpherson@hawaii.gov.

Aloha,

Jobie M. K. Masagatani, Chairman
Hawaiian Homes Commission
