STATE OF HAWAII
DEPARTMENT OF HAWAIIAN HOME LANDS

September 16-17, 2019

To: Chairman and Members, Hawaiian Homes Commission

Thru: Andrew H. Choy, Acting Planning Program Manager

From: Nancy McPherson, Planner/Kaua‘i Liaison
Julie-Ann Cachola, Planner

Subject: Accept Beneficiary Consultation Report for Two Land Use Requests, Anahola Farmer’s Market and Ulupono Anahola, Anahola, Kaua‘i, TMK (4)4-8-005:026 and TMK (4)4-8-003:019

RECOMMENDED MOTION/ACTION

That the Hawaiian Homes Commission (HHC) accept this Beneficiary Consultation Report as the official record of beneficiary comments and concerns related to the use of Hawaiian Home Lands in Anahola, as identified by the Beneficiary Organizations of: (1) Kalalea Anehola Farmers’ Hui; and (2) Pi‘ilani Mai Ke Kai Community Association in partnership with Kukulu Kumuhana o Anahola.

DISCUSSION

Historical Background on Processing Land Use Requests from Non-Profit Organizations

In 2009, DHHL initiated the Kūlia I Ka Nu‘u Program (Kūlia). The Kūlia program provided homestead associations with a process and procedure to apply for DHHL land and grant funding to help associations with initial planning and due diligence studies. The program also provided a series of trainings intended to increase the capacity of association board members to successfully implement their development projects. With the successful completion of the training sessions, DHHL awarded the association a grant of land and money. Unfortunately, the Kūlia program was discontinued by the Hawaiian Homes Commission in 2012.

In the absence of the Kūlia program, there was no trigger for an internal procedure to receive and process unsolicited requests for the use of Hawaiian Home Lands for non-profit purposes. Assessing capacity was one issue, but the process also had to be applied in a consistent and fair manner. From 2015 to
2016, the DHHL Planning Office and Land Management Division staff met over a series of meetings to make improvements to the process and to guide staff on when and how to process unsolicited requests. As a result, many non-profits, including DHHL community associations, submitted proposals to DHHL addressing the criteria outlined in Exhibit ‘A’, “Information That May Be Needed To Evaluate Non-Revenue Generating Land Use Requests.” However, without a process in place, many proposals were not acted upon in a timely manner.

In March 2019, the Planning Office presented a revised application process for unsolicited requests for the use of Hawaiian Home Lands from non-profit organizations. See Table 1, “Revised Land Use Request Process,” below. The new application incorporated most of the criteria that were identified in April 2016. The purpose of the application is to:

1. Create a fair and transparent internal process for processing requests for use of Hawaiian Home Lands for eleemosynary (charitable) purposes; and

2. Ensure that the proposed use of Hawaiian Home Lands does not significantly impact DHHL’s ability to provide programs and services to current and future beneficiaries.

The new application process provides clear steps and a general timeframe for completion of each step. However, it should be noted that one shortcoming of the new process is a lack of ability to measure an applicant’s current capacity as well as growth of capacity needed over time to successfully implement the proposed project.
As part of the new application process, one action-step that is required on the part of DHHL is to conduct a Beneficiary Consultation Meeting regarding the proposed project in instances where the project was not identified as a priority project in a DHHL Regional Plan.

These two proposed projects on Kaua‘i were not reflected in the Anahola Regional Plan Priority Projects, thus each of the projects required Beneficiary Consultation. The consultation requirement is consistent with the DHHL Beneficiary Consultation Policy that was adopted by the HHC in 2009, which states that prior to any approval for a long-term lease or license, beneficiaries that may be affected by the proposed use of Hawaiian Home Lands must be consulted to collect their input and feedback.

With the new application process in place, and in light of multiple land use requests that were submitted by homestead associations but were never acted upon, the Planning Office committed to transfer the application information to the new application process and to schedule and conduct the requisite Beneficiary Consultation meetings so that a decision can be rendered on the outstanding land use requests.

Anahola Land Use Requests

The Kalalea Anehola Farmers’ Hui (KAF HUI) and the Pi‘ilani Mai Ke Kai Community Association in partnership with Kukulu Kumuhana o Anahola (KKOA) have requested the use of Hawaiian Home Lands for non-homesteading purposes. A summary description of each request is presented in Table 2, “Summary Descriptions of Land Use Requests from Beneficiary Organizations in Anahola,” below. The parcel locations of the lands requested are presented in Figure 1, “Anahola Land Use Requests.”

**Beneficiary Consultation Meeting**

Since the proposed projects are not Priority Projects in the current Anahola Regional Plan, the Planning Office is required to conduct a Beneficiary Consultation meeting on the land use requests. In order to make the most efficient use of DHHL resources, land use requests in the same general geographic area...
may be grouped and discussed during the same meeting. The main consideration in consultation is the determination of who should be consulted. In this case, the Planning Office determined that all beneficiaries (lessees and applicants) residing in Anahola (i.e., with the Anahola zipcode of 96703) should be consulted. Four hundred forty-nine (449) invitation letters (Exhibit 'B') were mailed out two weeks prior to the meeting date.

On Wednesday, August 7, 2019, the Planning Office conducted a Beneficiary Consultation meeting on the two land use requests (LUR’s) at the Anahola Clubhouse from 6:00 p.m. to 8:00 p.m. A total of 50 people signed in at the registration table (Exhibit ‘C’, “Sign-in Sheets”), but a headcount indicated that there were at least 60 people in attendance. Chairman William Aila, Jr., Kaua‘i Hawaiian Homes Commissioner, Dennis Neves, and the Kaua‘i District Office Manager, Erna Kamibayashi were in attendance. Staff from the Land Management Division and the Planning Office were also present. Nancy McPherson, the Kaua‘i Liaison from the Planning Office, provided a short introduction to the meeting. Each association was given 20 minutes to present background information about their association and their project proposal to utilize Hawaiian Home Lands (Exhibit ‘D’, “Powerpoint Slides”). Following each presentation, DHHL facilitated a 15-minute question and comment session. Notes on the presentations as well as verbatim questions, answers and comments from the discussion may be found in Exhibit ‘E’, “Presentation Notes and Questions/Comments.”

In addition to verbal questions and comments received at the meeting, a total of five (5) written comments were received at the meeting (Exhibit ‘F’). In addition to the August 7, 2019 meeting, beneficiaries were given the opportunity to provide comments to DHHL over the course of a 30-day comment period from August 7, 2019 to September 6, 2019. A total of two (2) written comments were received via email and postal mail during the 30-day comment period (Exhibit ‘G’). The following table summarizes all comments received for each proposed project, along with DHHL and/or requestor responses.

The following is a preliminary list of information to assist Land Management Division and the Planning Office in reviewing your land use request. Please provide as much of this information as you can, and keep in mind that after our initial review, we may have additional questions or follow up items.

Organizational documents

- Narrative that describes the following:
  - Who is the organization – vision, mission, purpose;
  - How your organization benefits the Hawaiian Home Lands Trust and its beneficiaries;
  - How and why your organization was created;
  - Your organization’s relationship with, connection to, and representation of beneficiaries, as defined by the Hawaiian Homes Commission Act (HHCA), as amended;
  - Qualifications and experience in planning & implementing the proposed project or a similar project;
  - Relationship between your organization and the beneficiary organization(s).
  
  Documentation for this may include, but not be limited to:
  1) Board resolution that your organization is owned and controlled by HHCA beneficiaries;
  2) Beneficiary organization(s) is the sole member of your organization;
  3) Beneficiary organization(s) appoints individuals to serve on the board of your organization;
  4) Primary purpose of your organization is to further the mission of the beneficiary organization(s);
  5) Your organization and the beneficiary organization(s) adopted a joint board resolution that your organization is serving as the project development arm of the beneficiary organization(s)

- Articles of Incorporation, with certification stamp from DCCA
- Bylaws, dated and signed
- Current list of board members, include positions/title & term expiration date. Also identify if each board member is a beneficiary or not
- If you are a member-based organization, provide a current list of members and identify if each member is a beneficiary or not
- Any other material describing the organization’s vision, mission and purpose
- Any other documents – organization brochure, newsletter, reports
- Certificate of Good Standing from DCCA
- State of Hawaii General Excise Tax Number (GET)
- Federal Employer Identification Number (FEIN)
If IRS 501c3 tax exempt status is required for the proposed land disposition, then please include the following items

- Full copy of your organization’s IRS 501(c)(3) tax exemption application (IRS Form 1023 & any attachments)
- IRS 501(c)(3) determination letter

Proposed project plan and business plan

- Narrative describing the need/problem/opportunity you are trying to address
- Narrative describing how the proposed use or project for the property will benefit the Trust and HHCA beneficiaries
- Narrative describing how the proposed use or project is consistent with DHHL Island Plan & Regional Plan, and other governmental plans – County General Plan, County Community Development Plan (CDP), EDA CEDS strategy, HUD consolidated plan, etc.
- Narrative describing how HHCA beneficiaries and/or the at-large community were involved in the planning of the proposed project
- Most recent financial statement, treasurer’s report, or IRS Form 990
- Pro Forma
- Expense & Income Budget – start up/initial costs, operating budget, reserve fund, projected income
- Project timeline/schedule

Community support

- Evidence of support from the surrounding homestead communities and HHCA beneficiaries
  Examples include, but are not limited to: list of meeting dates, # attended, sign-in sheets, meeting minutes, support letters or board resolutions from each homestead association, surveys, petitions
- Evidence of support from the broader, at-large community
  Examples include, but are not limited to: list of meeting dates, # attended, sign-in sheets, meeting minutes, support letters or board resolutions from partner organizations/individuals, community nonprofits, County Mayor, County Council

Aloha!

The Department of Hawaiian Home Lands (DHHL) invites you and your ‘ohana to a Beneficiary Consultation meeting on **Wednesday, August 7, 2019 at the Anahola Clubhouse from 6:00 p.m. to 8:00 p.m.** The purpose of the consultation meeting is to give beneficiaries who reside in the Anahola zipcode (96703) the opportunity to get information, ask questions, and comment on proposals submitted by the Kalalea Anehola Farmer’s Hui (KAF HUI) and Pi’ilani Mai Ke Kai Community Association (in partnership with Kukulu Kumuhana o Anahola (KKOA)). A summary of each project and their request for land is presented in the table below; the map identifies the locations of the lands requested.

At the Beneficiary Consultation meeting, each organization will have 15-20 minutes to present their proposal. The presentations will explain what they want to do, where they want to do it, and how the project will benefit and involve Hawaiian Home Lands beneficiaries. After each presentation, DHHL staff will facilitate questions, answers, and comments on the proposed project.

It is the policy of the Department to consult with beneficiaries on proposals that request a long-term commitment of land, not previously consulted on through the Regional Plan process, before any decision is made. Beneficiary Consultation meetings give beneficiaries the opportunity to meet project proponents, hear their proposals, and provide input early in the development process, when it truly counts. We hope you will take advantage of this opportunity and we look forward to your participation at the August 7th meeting.

Aloha!

- To provide an Agricultural Garden Training Center and Youth Center that will provide a safe place of

EDUCATION
SKILL BUILDING
CULTURAL ENRICHMENT
**BRIEF HISTORY**

- Founded by **Manulele Clarke** and **Kuuleialoha Punua** in Dec 2008 due to the tragic loss of **three Native Hawaiian youth** in Anahola.

- Through much prayer with family and friends, the founders believed the key to reaching our ‘opio (youth) was through trusting in the **Paipala Hemolele (Holy Bible)** and strengthening through cultural values.

- **Kukulu Kumuhana** means the pooling of strengths – emotional, psychological, and spiritual – for a shared purpose.

- From Nana I Ke Kumu (Look to the Source), Vol. 1

- Our work today continues in loving memory of those we lost.

**KKOA MISSION & VISION**

- We are compelled and committed to providing safe places and spaces to deter suicide by **BUILDING** life skills to strengthen their identity through Hawaiian values, by **EMPOWERING** individuals to successfully manage their future and by **ESTABLISHING** a healthy, sustainable and thriving Hawaiian community.
PREVIOUSLY SERVED ANAHOLA BENEFICIARIES 2008 - 2009

- 2008 ... Manulele attended community luncheon and talk story after three suicides took place. Initiated by Hui O Na Makua Ho‘okahi O Kaua‘i. Resulted in initial conversation between Manulele and Kuulei about safe places and spaces for the children.
- 2008 ... Door to door asking permission from kupuna and ohana to begin movie nights; to do something positive in the community. Resulted in meeting with grieving families and receiving permission to begin Anahola Movie Nights.
- 2009 ... Supported the Hokualele Canoe Club through donations to purchase new paddles. This canoe club is still an active club in the Anahola community.
- 2009 ... Partnered with Queen Lili‘uokalani Children’s Center to put together an Anahola Resource Directory. Directories were distributed through organizations in the directory.

PAST 5YRS SERVICE TO ANAHOLA BENEFICIARIES
2014 - 2015

2014 ... Anahola movie nights shifts to 4 months in the summer – last Sunday of each month from May to August. Resulted in being able to offer other areas of skill building that is consistent with our mission/vision and focus on finding a location for garden training site/community garden and youth center.

2014-2015 ... Started training on writing ANA grant. Not able to submit application due to no location available. – community garden site was at Anahola Clubhouse then shifted to KAF location, then Kealia Farms, then stalled. Began ukulele classes prior to movie nights.

2014-2015 ... Partnered with DHHL and QLCC to survey 518 lessee families in Anahola seeking information of communities concerns. Resulted in top 3 results: Education, Culture, Skill Building.

2014 - 2015 ... Active members of KAF Hui and participants at Kalalea Anehola Farmers (KAF) Hui Farmers Market. Provides an avenue for more visibility of who KKOA is.
RECENT SERVICE TO ANAHOLA BENEFICIARIES

Presentation Notes and Questions/Comments: BC for Anahola Land Use Requests

Piilani Mai Ke Kai and KKOА – Ulupono Anahola

Presentation Notes

The presentation was coordinated among 4 speakers:
Kahanu Keawe, President, Pi'ilani Mai Ke Kai
Ku'uleialoha Punua, President, Kukulu Kumuhana O Anahola
Rae Makanani Nam, Vice President, Kukulu Kumuhana O Anahola
Nalani Mahelona, Advisory Board Member, Kukulu Kumuhana O Anahola

I. Background on Kukulu Kumuhana O Anahola (KKOA)
   a. They started with Movie Night, which was a way for people to get together
   b. They served healthy meals at every movie night.
   c. They started to introduce cultural activities.
   d. They partnered with Ali'i Trusts—for example, they partnered with Queen Lili'uokalani Trust to provide 'ukulele classes.
   e. They brought in special guests like Jason Momoa, who spoke on how important community is—which is what Kukulu wants to encourage

II. Work at Anahola Clubhouse and Examples of Partnerships they are involved with
   a. Nalani talked about their mural project at the Clubhouse—everyone is involved in beautifying community space. They have an agreement with the county to keep the mural for 2 years, but they've been maintaining it for 6 years.
   b. Known artists, like Patrick Ching, came and painted some items.
   c. The ‘Tutu and Me’ program uses the facility and expressed how they see a big difference in the community
   d. Consuelo Foundation—provided Kukulu free assistance to get their 501(c)(3) status. The Foundation also helped Kukulu develop a 5-year Strategic Plan and sent the Board members to the Big Island to attend a Board Training session.
   e. Anahola Beach Clean Up in 2010: Beautiful to experience community working together.
   f. Ka Hale Pono: for 10 years, they’ve sponsored the Kuhio Day celebration—everyone contributes to the event
   g. 2012 Community Survey

III. President of KKOА
   a. We're committed to help the families.
   b. Hopefully you will be able to see the connection between keiki and kupuna—everything they do they emphasize this. It’s our passion to present something to the community that makes kids have to come face to face with kupuna.
   c. In 2012 we began a conversation with the Anahola community through movie nights and surveys. We asked, what is meaningful to you? What is important to you?
   d. Then we started to hear their answers: community garden, getting beneficiaries on the land.
   e. In 2014-2015 DHHL AND QLCC sent out a survey and got 518 surveys back. The 3 key things that the community wanted was: Education, Culture, Skill-Building
   f. In 2014 Kukulu started partnering with farmers markets because they wanted to assist with that.
g. Started an after-school program that focused on 4th and 5th graders since this is a critical time. All grades were welcome. They saw improvement in grades; they saw parents and kids building their self-esteem—getting confident together.

h. In 2017-2019 Bob Freitas from the DHHL Planning Office helped us look for land to promote ag training.

i. Developed presentation boards

j. Completed land use request application

More partnerships:

- CCF to contribute 75 gift bags to KADF for Christmas
- Flood in April -- raised $3K to assist.
- 2019—charity walk wanted to have some financial funding to put back into community set a goal of $5K BUT RAISED $8K
- Attended safe talk workshop with QLT, OHA and Suicide Prevention folks -- still primary function. Resulted in them communicating with leaders in community that they want to provide that kind of programming.
- Got a call from HI Resilience Project
- When we were keiki, our family didn’t have to worry about us, not because we were good, but because they knew their community—that people watched each other’s kids.
- Need partners—can’t do this alone.
- When we started, shore seemed so far away and we were wondering what are we doing here, but there’s others saying “no worry, just keep going!”

Third speaker (Rae Makanani Nam):

- Fire (in Pi’ilani Mai Ke Kai) ignited spark
- Pono procedure in community to start a project -- community gets together to talk about it.
- Met at Anahola Clubhouse.
- 10-acre proposal, but 30 acres when all phases completed.
- In Island Plan, area is already zoned for community use.
- We made visits to other farmers: Maku'u, Ma'o Farms, plus GoFarm program
- Garden training and youth center
- GoFarm is educational program with KCC, start with little acreage of land, by end of the program, you’re learning how to run your own farm business.

Project’s Benefits to Community:

1. Deters illegal dumping
2. Lowers wildfire hazard
3. Implements community ag for a growing residential community
4. All beneficiaries have potential to learn keiki to kupuna
5. Will achieve success through partnerships
6. Equip beneficiaries to make their own choices similar to home ownership—but for ag
7. Can be model for other communities.
8. Training site for community garden, other DHHL communities can come and see—to not be dependent on shipping container to bring food
9. To have fruit trees that you can just pick and eat from is a different story
10. Want to organize people who are interested in doing something like this.
• Want to first have an ROE so can do due diligence.
• First 10 acres is Phase I, then next two phases will use entire 30 acres.

Piilani Mai Ke Kai and KKO A – Ulupono Anahola
Questions and Comments

Q: How do you plan to do long term sustainability for the project so when this young generation is older how it will still be a pono thing?
A: Part of long term vision is to have a facility so we can grow produce. Nothing can get started until you have a land base—can't apply for funds, etc. So DHHL has the application. Since this was not part of the Regional Plan, that's why having this meeting. I wouldn't start something that is not sustainable, so who is going to maintain it? So this is step before this—need land base. Commitment is long term, but can't plan this until get land. But have talked with people who have done it. So there are partners that have skills set to build capacity.

A: To remind you, every dream has to start somewhere. Our bylaws are a picture of what we wanted to do 10 years ago, you don’t need to keep it—change it. Any ideas you have to engage and inspire young community—please come forward.

MA‘O farms—like doctors of the ‘aina, they are being paid to go to college.
A: We already put into grants.

Q: I totally supports KKO A—they are truly community oriented, they feed our community and I really support them, Burt wondering what this is going to look like? Is it beneficiaries that will do the gardening? As community, where’s it going to be? Whole bunch of homesteads right across the street, so where is it going to be.
A: Once we get the lease, then we’ll come out and say, right now is a dream
PO: Planning Office will work with group to ensure least amount of impact, we will provide technical support.

A: We want beneficiaries to participate -- the question is what if they no like?

Q: We just want to know what part of the parcel are you doing what?
A: Kilauea—ag community center is a good example.

C: I think the layout is good at Kilauea, but the homes are not right there. Just want to know where things are going to be.

A: How should we share with the community? How to get information to community, so people are aware before not after?
A: Maybe email? Have sign in sheet at community bulletin boards.

Chairman Aila -- explained Ma’o Farm. Shared that Commissioner Teves asks the most questions.
The last two years, DHHL has had the most legislative funding in its whole 96 years. $20M CIP plus $5M maintenance. To get Kapolei lots cost $100,000 per lot. This budget cycle took $20m LEGIS. $12M FROM US, PLUS? The most money we had we put in infrastructure. When will you see it? About 3 years. Have to do environmental, site planning – whole development cycle takes about 6 years
Chairman is an ag homesteader.

Kalalea Anehola Farmer’s Hui – Anahola Farmer’s Market
Presentation Notes & Comments/Discussion

- Waited five years for this BC
- 29 years ago started Anahola Farmers Association

Amount improvements to the property we have facilities to do product development—we would have the ability to incubate...one of the reasons why we need the lease.

Q: Are there any obstacles to getting the long terms lease?
A: Not that I know of, but tonight is critical. Asking for a 34-year lease.

Next steps—send in your comments.

If you want garden plots come down

Q: I’m curious. You have a big footprint—30 acres, you don’t know how big the parcel is. Wondering, look at September (HHC on Kaua’i) – at what point will you clear it so people can see what we’re dealing with?
A: The certified kitchen -- all the community going to come...they can sell and participate in a certified kitchen. Took Waipa a long time, but they did it. And it can be done in Anahola.

Q: Upon approval for the land use request, who will assume liability?
A: The entity with the disposition.

Q: Why only so many people got letters? Going lock it (the land) up for 30 years.
Comment: This is the same situation as Anahola marketplace -- DHHL not there to enforce.

Q: Is there a timeline? You say you’re working on the problem, but what is the timeline? This is the first time I lived on Hawaiian Home lands -- was raised in Kapahulu but job was here, I raised my family. I used to live in Wailua homestead, told everyone moving to Anahola—why what's wrong? No one stole anything. Took 2.5 years to build it. I go to Anahola beach regularly, there’s people that live around the bend where lighthouse was. Prior to building of the school and the houses behind the school, everything was nice. There’s things you cannot do that you can do now. I used to fish, pick limu, I don’t want to go there

PMKK Phase 2

Went to a meeting at Kapa’a Elementary School. Re: for or against solar panels. I was against it. I know KIUC is making money off DHHL land. I asked the question to KIUC, you getting land from DHHL what are you doing for the Hawaiians? President said he was giving people jobs? Lies. Why don't you build a community gym. I not criticizing these guys…what they doing is fine. When you this age, and you say, you're soaking on this…how long are talking about? It's
easy to talk, but where’s the action? Hawaiians getting shafted everywhere. I envy people that work hard.

You work for Hawaiian Home lands.

Have a stipulation in black and white…if you do it with stipulation, we going shut you down. If the money not going in the right direction—then we take the money back. Before you give this project, take care of the Anahola Marketplace situation.

It's all to confuse and frustrate us
Why gotta divide us?

Dennis: I hear your frustration. It’s wrong, we got nothing. We’re approving renewable energy projects and only going directly to homestead associations. I don’t want to see the same mistakes. Anahola Hawaiian Homestead Association is responsible for that. If you don’t like what’s going on, go to the meeting. If you don’t like them, vote them out.

The problem is can’t come to meeting unless you’re a member, and can’t be a member until you get bought in, sponsored in.

Dennis: it’s a sour note, but it’s your responsibility to right this wrong.

Kimo: no buts on DHHL lands—paper should have what the stipulations are.

I went to a meeting with Anahola Hawaiian Homestead Association and felt so uncomfortable.

The system is screwed up, but gotta get through paperwork. At least now going through a pono process. Discussing with the community…which was not done before.

Most people support KKOA, but have concerns about size of the project. Especially along the road.

Farmers, not Hawaiian Homes people.

QUESTIONS/COMMENTS:

I support KKOA & KAF Hui both receiving long term leases at these locations for their projects if the site will be used by beneficiaries prioritizing Anahale residents.

ITEM G-2

EXHIBIT 'F'
I am in support of the Department awarding long-term leases to both proposed projects by KKNI & KAHI at the proposed land parcels. If the use of site will be by Hawaiian beneficiaries, prioritizing Anahola community.

Name: MELANIE THOMPSON
Email: Kipilani 79@yahoo.com

QUESTIONS/COMMENTS:

1. Where will the funds come from to maintain the cost of utilities that are used?
2. Who benefits from any profits that may occur from the project?
3. Where will the funding come from to employ teachers & etc.?
4. When the youth center gets built, where is parking going to be, who is allowed to utilize the youth center and again, where will the funds come from to maintain, utilities, janitorial, employees, recreational equipment and etc?

ITEM G-2
EXHIBIT 'F'
Awarded a residential lot prior to Hurricane Iniki, good years ago before Rillawi Mai He Kai and the start of KaaLii Kapa. I frequent going to the Kahakai to either fish or pick lime which is next to the light house and no one was around. But now, I go only to Makaha Beach close to where the Lifeguard is stationed. I am hesitant to go even further where I used to go because of the fearless tides and polling this section. If it is a home location, somehow, could something be done to remove these individuals?
7 August 2019

State of Hawaii - Department of Hawaiian Home Lands (DHHL’s) - Planning Office
PO Box 1879
Honolulu, Hawai‘i 96805

RE Proposed Project:
Anahola Farmer’s Hui (KAF HUI) - Anehola Farmer’s Market
TMK (4) 4-8-005:026

Dear William J. Aila, Jr., Chairman, and DHHL Commissioners,

Aloha! As beneficiaries we appreciate the opportunity to give our comment on the proposal submitted by KAF HUI. We are totally against the proposed 34-year General Lease for TMK (4)4-8-005:026 from Department of Hawaiian Home Lands.

Please keep KAF HUI lease as a Right of Entry (ROE) as it stands -
A 34-year General Lease is not acceptable for TMK (4)4-8-005:026.

Currently, the Kalalea Anehola Farmers Market incurs the following concerns:
Safety, traffic, congestion, trespassing, public defecating / urinating, public nuisance by KAF HUI Farmers Markets vendor’s animals defecating and trespassing and e t cetera.

The proposed project’s expansion of Kalalea Anehola Farmers Market is not in the best interest of any Hawaiian Home Lands Beneficiaries (present or future).

Since there’s all this pilikia already happening, how can Hawaiian Homes even consider giving KAF HUI a 34-year lease? Furthermore, the current Kalalea Anehola Farmers Market only involves one (1) Hawaiian Home Lands beneficiary farmer/vendor.

It truly counts to offer input into a proposal which requests a long-term commitment with DHHL Lands. Please do not repeat the same abomination by approving a 34-year lease for this proposed “project”; as prior DHHL Commissioners have failed miserably in the past. For example, in Anahola on Kuhio Hwy, where Homestead Community Development Corporation (HCDC) Micro Enterprise exist, it consists of plenty non-beneficiaries.

KAF HUI request of DHHL approval for a 34-year lease to add additional days of operation, further uses, such as a Cultural Learning Center(s), food bank, an open pavilion, and a certified kitchen - ALL these components will surely aggravate the magnitude of the issues that are already out of hand.

Mahalo for taking this time and consideration to deny the Kalalea Anehola Farmers Hui (KAF HUI) a 34-year lease TMK (4)4-8-005:026 for 0.9 acre DHHL Farm Lots at Hoku’alele Road, Anahola Kaua’i.

We look forward to a response via U.S. mail from Department of Hawaiian Home Lands - Planning Office at your earliest convenience. Also, please keep us abreast of any updates regarding this proposal.

Sincerely,

Laurie Avilla and ‘Ohana
(Including ALL my Successors)

C Gov. David Y. Ige, Native Hawaiian Legal Corp, OHA and OHa Kaua’i Trustee Dan Ahuna
Aloha Nancy, DHHL and whom this may concern,

I am the daughter of Bridget “Manulele” Clarke and we have been on our Anahola farm lot since 1986. Before that we rented a home down in the village. I was in attendance last night and heard both proposals. I am in support of both. I love the idea of KKO’s plan for the 30acre’s 10 to start. What a beautiful vision that can mean life for the community. I love KKO and have been able to watch them grow through the years always with the best intentions for our community. Anahola is blessed with their love, presence, persistence, and genuine heart for this place and it’s people. How ever you can support them you should. They have a stellar reputation in the community, are honest and straightforward and have the connections and persistence to see this project through.

Also the farmers proposal. They have been a beautiful addition to our farm lot community. What they are wanting makes complete sense and truly we should support them.

Warmest aloha, Kaala Clarke
