

Papakōlea Regional Plan Update Project

The Papakōlea Regional Plan was created in 2009. Since this plan was developed, the community has experienced change. DHHL would like to invite the community to participate in updating this plan to better reflect the region today.

A series of THREE meetings will be used to gather community input on this update to the plan. The written plan and the meeting series will be facilitated by Townscape, Inc. a local environmental & community planning firm based in Honolulu.

**Please join us for Community Meeting #2
on **Wednesday October 9, 2019**
from 6:30pm to 8:30pm
at R.L. Stevenson Middle School Cafeteria**

Tentative Schedule:
