PUBLIC TESTIMONY ON AGENDIZED ITEMS

ITEM A-1 Roscoe Swain Re: Request Reconsideration Hearing

R. Swain stated his attendance is to request for a reconsideration hearing so that he can present his documents to show that he is confident in remaining and continuing his obligation to his lease as a lessee. Chair Masagatani addressed R. Swain saying due to it being a contested case matter this is probably not the right venue to have this conversation. She noted that being in a contested case with him any communication with Mr. Swain, the Commissioner will have to make sure that the other party, the Department of Hawaiian Home Lands, is also provided the same consideration.
ITEM A-2  Richard Kaniho Re: Item F-1, F-2

R. Kaniho testified that two years ago, Mr. Costa called him and told him of his royal patent ownership to the ‘āina. Recently Mr. Costa called him and claimed ownership of the lands now going up R. Kaniho’s way, basically threatening that he won’t let DHHL, R. Kaniho, or anyone else get in his way to do whatever he needs to do to secure his lands and protect it. If the Department’s position of Mr. Costa’s claim to the Mauna Kea lands is false, then it would be in the best interest of the Commission to immediately take action of the ‘Āina Mauna Legacy Plan.

ITEM G-1  For Information Only-Act 14 Land Claims Settlement Update

RECOMMENDED MOTION/ACTION
None. For information only. Planner for Planning Office, Andrew Choy, presented the following for Act 14 land Claims Settlement Update.

DISCUSSION
A. Choy stated during his address at the CNHA Conference Governor Ige committed to seeking resolution on all outstanding claims. A. Choy introduced Ryan Kanaka’ole, DHHL’s Deputy Attorney General, working on Act 14 Land Claim matters.

R. Kanaka’ole did a brief summary on Act 14, stating it was considered to be a settlement of claims that the Department had against the State for uses of Hawaiian Home Lands between the start of Statehood in 1959 through the late 1980s. Several phases occurred before Act 14 that culminated in the Act itself. Former Governor John Waihe’e created a task force comprised of the Office of State Planning, Department of Hawaiian Home Lands, Department of Land and Natural Resources, and the Department of the Attorney General. The objective was to investigate and resolve DHHL’s land use claims against the State with regards to alienating Trust lands, executive orders, or using the lands for other public uses and things like building schools on Hawaiian Home Lands. Prior to Act 14, there was an administrative effort to transfer 16,518 acres of land to the Trust. In Act 14, there were two components, the money, and the land. The money totaled $606,277,558 in monetary compensation.

ITEMS FOR DECISION MAKING

REGULAR AGENDA

LAND MANAGEMENT DIVISION
ITEM F-1  Authorization to Issuance of Feral Cattle Removal License to selected Licensees, Humu‘ula & Pi‘ihonua Sections, Island of Hawai‘i

RECOMMENDED MOTION/ACTION
Acting Land Management Division Administrator Kahana Albinio presented the following amended motion:
That the Hawaiian Homes Commission (HHC) authorize the following:
1. Award selected applicants from DHHL’s publicized solicitation process for the sole purpose of its Feral Cattle Removal Project on DHHL ʻĀina Mauna Lands; and
2. Enter into negotiations with selected applicants for two (2) separate Land Licenses for two (2) land areas, more specifically identified by the Pi‘ihonua and Humu‘ula Sections as described and defined below respectively. The land licenses would continue to provide DHHL the necessary means to address the GOALS AND PRORITY ACTIONS consistent with its ʻĀina Mauna Legacy Program Plan.
An Item E. was added to the conditions of the license as follows:
• Periodic reports no less than quarterly on the performance of the licensee in meeting the conditions of the licenses.

MOTION AS AMENDED
Moved by Commissioner Awo, seconded by Commissioner Ishibashi, to approve the motion as amended.

DISCUSSION
DHHL LMD issued two (2) publicized solicitations (See Exhibit “B”) seeking applications for land licenses to be issued to the most qualified applicant(s) to remove Feral Cattle on the ʻĀina Mauna Lands of Humu‘ula and Upper Pi‘ihonua. Feral cattle degrade native forests causing loss of habitat, economic timber potential and watershed function. Feral Cattle inhibit the natural regeneration of native forests and prevent reforestation efforts across both License areas covering over 20,000 acres. Feral cattle are dangerous and limit safe access to the ʻĀina Mauna lands and cause damage to roadways, fence lines, and other infrastructure. For these reasons, Ungulate removal (of which cattle are by far the most detrimental) is a priority immediate action of the ʻĀina Mauna Legacy Program, the management plan for the ʻĀina Mauna Lands.

ACTION
Motion carried unanimously.

WORKSHOP

HOMESTEAD SERVICES DIVISION

ITEM D-12  For Information Only- Appraisal Methodology on DHHL Homesteads

RECOMMENDED MOTION/ACTION
None. For information only. Acting Homestead Services Division Administrator Dean Oshiro presented the workshop for appraisal methodology on DHHL Homesteads.

DISCUSSION
D. Oshiro provided information regarding valuations on homestead properties because in some markets they seem to be higher than what the Department provides in its methodology.

D. Oshiro stated loans are governed by the Hawaiian Homes Commission Act with regards to the conditions of the lease, and primarily with all of the loans, DHHL must be federally insured or guaranteed, or be private mortgage insurance. However, there is no more private mortgage insurance for DHHL, but there is the FHA, the 184A, VA which are federal government that guarantee or insure DHHL loans.

Anytime a lessee wants to place a lien, it requires the Commission’s approval to consent to that mortgage. The Act states, DHHL cannot lend more than 50% of the single residence loan amount allowed in Hawai‘i by the United States Department of Housing and Urban Development’s Federal Housing Administration (FHA). FHA sets their limits for the general public and DHHL. The Commission Homes Act Section limits DHHL to half of what FHA can lend for the Department. This is just Department loans and Department guarantees.
