Priority Project – Address Abandoned Homes

CURRENT STATUS: In-progress

- Papakōlea Community Association asked DHHL to investigate 30+ lots that seemed abandoned as of 7/15/19. Findings of this investigation:
 - 2 verified unoccupied
 - 9 unencumbered lots (not leased): 4 being assessed for award, 4 being prepared for award, 1 offered.
 - 2 in cancellation
 - 4 in successorship
 - 16 in lease violation

Priority Project – Hawaiian Homestead Kūpuna Supportive Living Center

CURRENT STATUS: No funding secured.

This project remains a priority. It was suggested that redevelopment of the Isenberg (Bowl-A-Drome) location include a Kūpuna Supportive Center because Pūowaina does not have the infrastructure to support this type of center and funding has not yet been secured for this project.

Priority Project – Native Hawaiian Education & Cultural Community Center

CURRENT STATUS: Some funding secured.

This project remains a priority. Currently \$85,000 in funding has been secured by PCDC. A proposal and work plan was submitted to DHHL to secure a Right of Entry for Pūowaina Land Restoration Project.

Priority Project – Papakōlea Community Center & Park Improvements

CURRENT STATUS: On-going.

This project remains a priority. Since 2009, a commercial kitchen was built, a 96-panel PV system was installed, and the entire property was retrofitted with LED lighting. Funding requests have been submitted to replace the playground and conduct planning to replace the basketball court structure. No funding has been secured for these next efforts.

Priority Project – Repair, Replacement & Maintenance of Infrastructure

CURRENT STATUS: On-going.

This project remains a priority.

- Slope Stabilization – completed
- Drainage Ditch Rehabilitation – completed
- Sewer Improvements Phase I – in progress
- Sewer Improvements Phase II – scheduled to begin 2022
- Unstable rock walls – not started
- Slope/Soil instability – not started
