SHARE YOUR VISION

Join us for the first of a series of community meetings to develop a shared vision for the future management of land and resources of Malama Cultural Park, Moloka'i.

In order to keep our community safe during the COVID-19 pandemic, these meetings will be held virtually.

ABOUT THE SPECIAL AREA PLAN

In 2011, the Department of Hawaiian Home Lands (DHHL) acquired a portion of the lands comprising the Malama Cultural Park from the State of Hawai'i.

The Hawaiian Homes Commission designated the Park as a Special District to preserve and protect the significant natural, historic and community resources.

DHHL will be developing a Special Area Plan to address Park concerns such as responsible access, facility and infrastructure management, and natural and cultural resource stewardship.
