5. DHHL will work with beneficiary residents of the subdivision, once occupied, to select a place-appropriate name for the homestead.
1. In 2010, the Hawaiian Homes Commission approved a relocation option to Waiohuli Undivided Interest lessees to relocate to other available residential offerings.

2. Pu‘unani Homestead Offering for Turnkey and Vacant Lots will be made first to Waiohuli Undivided Interest lessees in their original selection order.

3. Should turnkey lots or vacant lots be available after the offer and qualifications, then the Maui Islandwide Residential list will be offered in rank order for remaining lots.
FEBRUARY 12, 2020
Secured County Arborist Committee Approval

August 20, 2020
County Council and Mayor approved Ordinance 5109 (Bill 79) based on County Department of Parks & Recreation’s recommendation to de-list the exceptional trees fronting the DHHL property to provide safe access and create a new landscaped frontage.
SHPD confirmed no further archaeological mitigation is necessary for the DHHL property

However, DHHL will conduct archaeological monitoring during the ground disturbance period

As recommended by the Cultural Impact Assessment, an archaeological field inspection was conducted in August 2020 to locate Pōhākoʻi

No discoveries were made for the grinding stone. Future location efforts will be made during archaeological monitoring.
SITE DESIGN – STATE AND COUNTY EXEMPTIONS

- State Land Use Ag District
- County’s Maui Island Plan
- County’s Zoning
- County’s Community Plan

Compliance with County’s Maui Island Plan Greenbelt Buffer areas would eliminate at least 68 homes.

Final EA Summary

Proposed land use is not anticipated to have a significant impact on the surrounding environment.

Project will implement necessary mitigation measures (E.g. BMPs, drainage basin, arch monitoring).

Project provides homestead opportunities consistent with goals of the DHHL General Plan and Maui Island Plan.
NEXT STEPS FOR THE PROJECT

1. Secure FONSI determination from HHC for the Final EA to submit to OEQC for publication

2. Continue to coordinate with DHHL beneficiaries and various State and County agencies

3. Secure sufficient budget appropriation from State Legislature

4. Complete engineering design and site construction of Project and obtain subdivision approval with lot TMKs from County of Maui

5. Start house construction and initiate Homestead vacant lot award and turnkey award offerings
