

**ADDENDUM NO. 4**  
**to**  
**INFORMATION PACKET**  
**Disposition of Hawaiian Home Lands by General Leases for Renewable**  
**Energy Projects on Oahu, Molokai, and Hawaii Island**

December 9, 2020

TO ALL APPLICANTS:

The following supplements the requirement in Section 3.3.4.g., on Page 12, of the Information Packet dated August 31, 2020, as amended, regarding the required certificates to submit with an application:

Due to delays that may be caused by the COVID-19 pandemic, and provided preliminary evidence of an attempt to be compliant is submitted with an application, the various certificates or the Hawaii Compliance Express certificate required in Section 3.3.4.g. may be submitted no later than seven (7) days after the date that an applicant has been notified in writing of its selection by DHHL to proceed with the leasing process.
