Johnson & Johnson (Janssen) Vaccine by The Queen's Medical Center

What to bring?

Bring your photo ID, health insurance card (if you have one).

Wear your mask at all times.

What to expect?

You will be asked to complete a registration form and pre-screening form before you receive your shot from a provider. You will be asked to wait for 15 to 30 minutes after your shot before returning home.

Can I get the vaccine if I've tested positive for COVID-19?

Yes. If you are symptom free, you can be vaccinated 20 days after your COVID-19 positive test
