Aloha Applicant,

The Department of Hawaiian Home Lands (DHHL) is pleased to invite you to a Beneficiary Meeting on the **'Ualapu'e Kuleana Homestead Project**, a priority project in the DHHL Moloka'i Regional Plan. Applicants for an Agriculture Homestead are welcome to participate in the planning process. Specifically, we seek your feedback on what applicants would like to see in this future homestead – such as desired qualities, preferred lifestyle, appropriate lot sizes and configurations, etc. The information you provide will help us to prepare the Kuleana Homestead Settlement Plan. The DHHL Team will also report on the existing physical conditions of the project area, based on the findings from the recently completed technical studies. This meeting may be accessed virtually and by phone as follows:

Wednesday, March 2, 2022
