# ANAHOLA Regional Plan Update

The Anahola Regional Plan is one of twenty-two regional plans the Department of Hawaiian Home Lands (DHHL) has developed statewide. DHHL Regional Plans allow homestead lessees to identify and implement priority projects for their communities. The existing Anahola Regional Plan was completed in 2010 and is being updated to reflect the region today.

A series of four meetings were held to gather beneficiary input on the vision and values for the region, identify and prioritize projects, and develop action steps for implementation.

The project team invites you and your 'ohana to join us for Community Open House to review the Draft Plan. Stop by anytime on Saturday, October 22 between 10 am and 1 pm to learn more about the Draft Regional Plan Update, share your mana'o, and get involved.
