

NOTICE

TEMPORARY WATER SHUTDOWN

Hoolehua Residents and Businesses and Kualapuu School

During the evenings of April 18th and April 20th, 2023, Goodfellow Bros. plans to install new valves on the DHHL water system. Potable water to homes & businesses in the Hoolehua area and Kualapuu School will be shutdown from approximately 10:00 pm to 6:00 am, the next morning. Residents and businesses should plan ahead to store for the entire week beginning April 17th, 2023 in the event of technical difficulties and unforeseen conditions, such as weather. Potable water trucks will be placed near the Lanikeha Center and the DHHL baseyard for community use. Water service will be restored the morning following the night shutdowns.

The Kalamaula water customers are asked to conserve water during this week as the entire system will be operating on decreased capacity.

We apologize for any inconvenience this will cause.

In the event of a water emergency, call:
