We polled current employees who have been with the department from 2 months to 30 years. These are the top reasons why they chose a career with the Department of Hawaiian Home Lands:

- **It's a Shorter Commute:** If you live from Pearl City to Mililani to Makaha, it's a shorter commute to work each day than to town. - **It's The Mission.** We're here to help the native Hawaiian community thrive and be successful through getting them back on the land. It's been very challenging to do that, but it's also VERY rewarding when we do it.

- **We have Excellent Staff:** DHHL has some very dedicated people currently working at the department. They feel a part of something bigger than themselves and work very hard to support our Beneficiaries and the mission.
