117-9	42,586 SF
117-10	72,214 SF

These level and vacant parcels are lightly vegetated and have no buildings. They border Mamba and Attu Streets, providing excellent street access. Utilities such as water, wastewater, and electricity are NOT available. Several industrial tenants occupy the space on short-term, month-to-month permits.

Description:

- 30 day month-to-month term @ \$0.11/sf
- Raw vacant flat land that is spacious and versatile

Utilities:

- No water/wastewater utility and electricity utility available

Potential:

- Ideal for storage, manufacturing, or other industrial purposes
