PROGRAM GUIDANCE

PROGRAM: Native Hawaiian Housing Block Grant (NHHBG)

FOR: Department of Hawaiian Home Lands (DHHL)

FROM: Heidi J. Frechette, Deputy Assistant Secretary for
Native American Programs, PN 

TOPIC: Income Limits for the NHHBG program under the Native American Housing Assistance and Self-Determination Act of 1996 (NAHASDA)

Purpose: This guidance provides the latest published HUD Income Limits applicable to the Native Hawaiian Housing Block Grant (NHHBG) program, effective April 1, 2021.

Background: HUD Notice PDR-2021-02, issued April 1, 2021, contains the latest published HUD median income limits by area and State. These limits are applicable to establishing median income limits for the NHHBG program. The HUD notice, along with the area and State median income limits, are available on HUD's website at: https://www.huduser.gov/portal/datasets/il.html#2021_query

Guidance: Pursuant to 24 CFR § 1006.10, median income for the NHHBG program is defined as:

With respect to an area that is a housing area [an area to which the Department of Hawaiian Home Lands (DHHL) is authorized to provide affordable housing assistance], the greater of:

- (1) the median income for the housing area, which shall be determined by HUD; or
- (2) the median income for the State of Hawaii.

Thus, if the income limit for a county located within the housing area is greater than the income limit for the State of Hawaii, the median income limit for the county must be used as the income limit for that housing area.

PROGRAM GUIDANCE NHHBG 2021-01

The HUD published, State of Hawaii median income limit by family size for FY 2021 is as follows:

State of Hawaii	1-person	2-person	3-person	4-person	5-person	6-person	7-person	8-person
Low-Income	\$55,900	\$63,850	\$71,850	\$79,850	\$86,250	\$92,600	\$99,000	\$105,400

The HUD published, County median income limits by family size for FY 2021 are as follows:

County	1-person	2-person	3-person	4-person	5-person	6-person	7-person	8-person
Honolulu	\$67,700	\$77,350	\$87,000	\$96,650	\$104,400	\$112,150	\$119,850	\$127,600
Hawaii	\$47,950	\$54,800	\$61,650	\$68,500	\$ 74,000	\$ 79,500	\$ 84,950	\$ 90,450
Kauai	\$57,100	\$65,250	\$73,400	\$81,550	\$ 88,100	\$ 94,600	\$101,150	\$107,650
Maui	\$57,900	\$66,150	\$74,400	\$82,650	\$ 89,300	\$ 95,900	\$102,500	\$109,100

Therefore, in accordance with § 1006.10, the FY 2021 median income limits applicable to providing NHHBG assistance are:

County	1-person	2-person	3-person	4-person	5-person	6-person	7-person	8-person
Honolulu	\$67,700	\$77,350	\$87,000	\$96,650	\$104,400	\$112,150	\$119,850	\$127,600
Hawaii	\$55,900	\$63,850	\$71,850	\$79,850	\$ 86,250	\$ 92,600	\$ 99,000	\$105,400
Kauai	\$57,100	\$65,250	\$73,400	\$81,550	\$ 88,100	\$ 94,600	\$101,150	\$107,650
Maui	\$57,900	\$66,150	\$74,400	\$82,650	\$ 89,300	\$ 95,900	\$102,500	\$109,100

To calculate the income limit for families with more than eight members, use the four-person income limit as the base amount. Multiply the base amount by increments of eight percent increasing for each additional person. DHHL may round the calculated income limits for nine or more persons to the nearest \$50 or DHHL may use the unrounded numbers.

1-person	2-person	3-person	4-person	5-person	6-person	7-person	8-person
70%	80%	90%	BASE	108%	116%	124%	132%

Using the four-person income limit as the base amount...

9 person limit = 4 person limit x 140%

10 person limit = 4 person limit x 148%

Then round up to the nearest \$50, if DHHL chooses to do so.

Example: 9 person limit = 4 person limit x 140%

Using the Honolulu income limits,

96,650 x 140% = 135,310 rounded up to the nearest \$50 = **\$135,350**

Thus, the nine-person income limit for Honolulu is \$135,350
